Dear Investor,

**ABERDEEN CAPITAL TRUST
FUND CLOSURE NOTIFICATION**

What is happening?

We are writing to notify you of our decision to close the Aberdeen Capital Trust (the "Trust") on Wednesday 27 March 2019 (the "Closure Date") and thereafter terminate the Trust. We have been informed that an investor wishes to redeem its unitholding in the Trust, which constitutes a substantial proportion of the assets of the Trust. Small funds face a number of operating difficulties as they are unable to benefit from economies of scale. This may lead to problems in buying and selling assets at a reasonable price, which in turn may lead to compromised investment performance.

Following consideration of the available options together with the Trustee of the Trust, State Street Trustees Limited (the "Trustee"), we believe it is in the best interest of all unitholders to close the Trust, liquidate all of the underlying assets and return the proceeds to investors.

A timeline of events leading to the Trust's closure and a list of affected unit classes are shown in Appendix One.

Impact on unitholders

As an ISA investor you have the options listed below, prior to the Closure Date.

Option A

You can switch your ISA holding into another fund that is available to invest through your ISA within the Aberdeen Standard Investments UK fund range prior to the Closure Date. No charges will be applied for switching in this circumstance. More information regarding our UK range of funds can be found on our website aberdeenstandard.com.

Option B

You can transfer your ISA holding to another ISA Manager prior to the Closure Date. If you choose this option, you will need to contact your chosen ISA Manager in advance as transferring ISA holdings between ISA Managers can take up to 30 days.

Option C

You can redeem your holding in the Trust and withdraw the cash. If you choose this option, it will be treated as a withdrawal from your ISA and you may lose your ISA tax status.

If we have not received any instructions from you by 11.59am on 26 March 2019, in order to maintain your tax status, your ISA holding will be switched into the Aberdeen Sterling Money Market Fund (our lowest risk fund) in order to maintain your ISA tax status. Please find enclosed Key Investor Information Document for the Aberdeen Sterling Money Market Fund.

The Manager of the Trust will liquidate appropriate portfolio holdings in order to facilitate outflows prior to the Closure Date. Whilst the Manager of the Trust will seek to retain the existing portfolio structure for remaining clients, this will no longer be possible as the Closure Date approaches. The process of liquidating the Trust's assets will begin approximately one week before the Closure Date and it will be necessary for the portfolio to be wholly or largely in cash, as permitted by the Prospectus of the Trust.

Please note that as the Trust is in the process of preparing to close, we will no longer accept any instructions to purchase additional units in the Trust from 11.59 am on 13 March 2019. However, redemption instructions for the Trust will be processed as normal until 11.59 am on 26 March 2019.

As at the date of this letter, a number of tax reclaims are outstanding in respect of the Trust. These tax reclaims are the subject of on-going litigation. If that litigation is successful then there may be payments due to the Trust after the Closure Date. In accordance with existing accounting practice, the potential reclaim payments are not accrued into the prices of the units in the Trust. Accordingly, if the litigation is successful then there may be a windfall payment due. Your share of the proceeds (if any) will be paid to you using the same payment that we will use to send you the redemption proceeds resulting from the Trust's closure. Following discussions with the Trustee, a de-minimis threshold of £20 per investor has been set. This means that you will only receive a payment if your share of any proceeds, together with your share of any other payments or windfalls received into the Trust after the Closure Date, is at least £20. If your share of such proceeds, payments or windfalls is below this level, we will on termination of the Trust pay these away to a charity of our choice.

All unitholders in the Trust at the date of this letter will be eligible to share in such proceeds, payments or windfalls (if any), As such, please let us know if your address details change on or after the Closure Date. If the contact details we hold for you are not up-to-date at the time such proceeds, payments or windfalls (if any) are paid out, we may not be able to pay your share (if any) to you.

Expenses

We have agreed to meet the expenses of the closure of the Trust, including expenses of the auditors and other professional advisers. The only exception will be any dealing costs involved in liquidating the assets of the Trust.

Suspension of dealing

Dealing units in the Trust will be suspended from after the 12.00 noon valuation point on Tuesday 26 March 2019.
