To the holders of the outstanding warrants, each of which confers the right to subscribe for one ordinary share in Advance Frontier Markets Fund Limited (a "Share") at US\$1.00 per share on 15 June in any of the years 2008 to 2010 inclusive ("Warrants").

Dear Warrantholder,

REMINDER OF SUBSCRIPTION RIGHTS – FINAL SUBSCRIPTION DATE

Introduction

I am writing to remind you that you have the right, subject to and in accordance with the terms and conditions on which the Warrants were issued (the "Warrant Terms"), to exercise by 3.30 p.m. on 15 June 2010 which is the subscription date set out in the Warrant Terms (the "Subscription Date") all or any of the subscription rights conferred by your Warrants. This is the final subscription date on which these Warrants can be exercised.

A copy of the Warrant Terms is available on the Company's website: www.frontiermarketsfund.com.

You have the right, subject to the Warrant Terms, to subscribe in cash by the Subscription Date for one Share for each Warrant held by you at the price of US\$1.00 per Share. The price per Share on 7 May 2010 (being the latest practicable date prior to the printing of this document) was US\$0.66.

This letter is not to be taken as a recommendation or advice to Warrantholders as to whether or not to exercise their Warrants. Before making any decision whether or not to exercise your Warrants you should consider various factors including the relationship between the price of the Shares in the market, the exercise price of the Warrants, the market price of the Warrants and your own personal financial circumstances. If you are in any doubt about the action you should take we recommend that you consult your professional adviser. The information contained in this document is a summary of parts of, and is subject to, the terms and conditions of the Warrants.

Stock exchange dealings

The warrant register will be closed and the Warrants will be disabled in CREST at the close of business on 14 June 2010 and, to be valid, all transfers of Warrants must be lodged before that time. The last day for trading in Warrants on the AIM market of the London Stock Exchange ("AIM") and the Channel Islands Stock Exchange ("CISX") for normal settlement will be 9 June 2010. As from 10 June 2010 all dealings should be for cash settlement only and will be registered in the normal way if the transfer, accompanied by documents of titles, is received by Capita Registrars by 5 p.m. on 14 June 2010.

The listing of the Warrants on the CISX and quotation on AIM will be cancelled with effect from the opening of the market on 15 June 2010.

Financial information

The following table shows the closing market quotations for a Warrant and a Share (as derived from Bloomberg) as at the close of business on 7 May 2010 (the latest practicable date prior to the printing of this document) and on the first business day of each of the months in the current calendar year:

	<i>Warrant Price</i>	<i>Share Price</i>
	<i>US\$</i>	<i>US\$</i>
4 January 2010	0.03	0.61
1 February 2010	0.03	0.61
1 March 2010	0.03	0.60
1 April 2010	0.02	0.66
4 May 2010	0.01	0.67
7 May 2010	0.01	0.66

Shares allotted pursuant to the exercise of subscription rights in 2010 will not rank for any dividends or other distributions declared, paid or made on the Shares by reference to a record date prior to 15 June 2010 but, subject thereto, will rank in full for all dividends and other distributions declared, made or paid on the Shares and *pari passu* in all other respects with the existing Shares in issue.

Taxation

The exercise of Warrants by a UK resident or ordinarily resident Warrantholder will not constitute a disposal for the purposes of UK capital gains tax. The base cost (if any) of the Warrants together with the amount paid on exercise will form the base cost in computing any gain or loss arising on a subsequent disposal of the Shares acquired.

The above tax comments are of a general nature based on the Company's understanding of the current law and practice of the revenue authorities in the United Kingdom and Guernsey. These comments are not exhaustive and do not constitute legal or tax advice. Warrantholders should consult their own professional advisers as to the tax consequences of exercising Warrants.

Lapse of outstanding Warrants

The Company has agreed to appoint a trustee (the "Trustee") shortly after 15 June 2010 to act for any person still holding Warrants after 15 June 2010. The Trustee will exercise all outstanding Warrants by 29 June 2010 if, in the Trustee's opinion, the proceeds of sale of the resulting Shares (net of all costs) exceeds the cost to exercise the Warrants. The Trustee will then distribute *pro rata* the net proceeds of such sale less subscription costs and expenses to the remaining Warrantholders (entitlements under \$5.00 shall be retained for the benefit of the Company). The outstanding Warrants will automatically lapse if the Trustee decides not to exercise them by 29 June 2010.

Procedure for exercise of subscription rights

If you wish to exercise the subscription rights conferred by all or part of your holding of Warrants by the subscription date you should:

- Follow the procedures set out in Appendix 1 to this letter if your Warrants will be held in uncertificated form (i.e. in electronic form as a computer record in an account with CREST) on the Subscription Date; or
- Follow the procedures set out in Appendix 2 to this letter if your Warrants will be held in certificated form (i.e. if your Warrants are still evidenced by a Warrant certificate) on the Subscription Date.

Whether your Warrants are held in uncertificated form or certificated form on the Subscription Date will be determined by reference to the register of Warrantholders as at the close of business on that date.

Application will be made to AIM and the CISX for admission to AIM and admission to listing and trading on the CISX of the Shares allotted pursuant to any exercise of subscription rights. The Company shall use all reasonable endeavours to obtain such admissions as soon as practicable and, in any event, not later than 14 days after the allotment of those Shares.

Yours faithfully

(James) Grant Wilson

Chairman

Procedure for exercise of subscription rights conferred by Warrants held in uncertificated form

Form of Uncertificated Subscription Notice

In order to exercise all or any of the subscription rights conferred by your Warrants by 3.30 p.m. on 15 June 2010 (the Subscription Date), an "Uncertificated Subscription Notice" being a Subscription Notice for Warrants held in uncertificated form, as described below, must be received in accordance with the instructions below prior to 3.30 p.m. on the Subscription Date. In accordance with the Warrant Terms, the directors have prescribed that the Uncertificated Subscription Notice will be in the form of an unmatched stock event transaction instruction (a "USE Instruction") to transfer the number of Warrants in respect of which the subscription rights are to be exercised from the relevant member account of the CREST member to the member account of the Company's receiving agent specified below. The USE Instructions must be authenticated in accordance with Euroclear UK & Ireland Limited's ("Euroclear") specifications and, in addition to the other information that is required for settlement in CREST, must contain the following details:

- (i) the number of Warrants to be exercised;
- (ii) the cash amount payable on subscription;
- (iii) the participants ID of the holder of the Warrants;
- (iv) the member account ID of the holder of the Warrants;
- (v) the participant ID of the Company's receiving agent – this is RA06;
- (vi) the member account ID of the Company's receiving agent – this is AFMFL;
- (vii) the corporate action number – please check this with CREST before subscribing;
- (viii) the corporate action ISIN – this is GG00B1W89L25; and
- (ix) the latest settlement date – this is 3.30 p.m. on 15 June 2010.

If you are unsure of the identification to be given under (iii) and (iv) above, please consult your Nominee Company or CREST sponsor.

Receipt of Uncertificated Subscription Notice

In order for an Uncertificated Subscription Notice to be valid:

- (i) it must be settled by Euroclear, and comply with the requirements specified under the heading "Form of Uncertificated Subscription Notice" above prior to 3.30 p.m. on the Subscription Date; and
- (ii) you must be registered as the holder of not less than the number of Warrants referred to in the Uncertificated Subscription Notice, and such Warrants must be credited to your member account identified in the Uncertificated Subscription Notice not later than 3.30 p.m. on the Subscription Date.

If you send a valid Uncertificated Subscription Notice in relation to any or all of your Warrants to Euroclear (or if any such notice is sent on your behalf), you will be treated as representing and warranting to the Company that that notice will be fully capable of settlement on the Subscription Date. Any breach of that representation and warranty will allow the Company to treat the Uncertificated Subscription Notice as invalid.

A valid Uncertificated Subscription Notice, once received as stated above, may not be withdrawn by you without the written consent of the Company. It is your responsibility to take such action as shall be necessary to ensure that a valid Uncertificated Subscription Notice is received in accordance with the requirements set out in this appendix prior to 3.30 p.m. on the Subscription Date. Your attention is drawn to the practical limitations of the CREST system, details of which are set out in section 2 of chapter 1 of the CREST Manual.

The directors reserve the right to treat as valid an Uncertificated Subscription Notice which is not in all aspects valid in accordance with the above or to accept an alternative instruction or notification from you in the event that, for reasons outside your control, you are unable to send an Uncertificated Subscription Notice to Euroclear in accordance with the above requirements.

Payment of Subscription Monies through CREST

CREST members and (where applicable) their CREST sponsors should note that Euroclear does not make available special procedures in CREST for any particular corporate action. Normal system timings and limitations will therefore apply in relation to the input of a USE instruction and its settlement in connection with the conversion of shares held in CREST. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST sponsored member, to procure that his CREST sponsor take) such action as shall be necessary to ensure that a USE instruction settles and payment is made by 3.30 p.m. on the Subscription Date. In this connection CREST members and (where applicable) their CREST sponsors are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Settlement

The Shares allotted on any exercise of the subscription rights conferred by your Warrants in uncertificated form will be issued in uncertificated form. The Company will, on or prior to 30 June 2010, notify Euroclear by an issuer-instruction (as defined in the Uncertificated Securities Regulations 2001) of the Shares issued to you or to which you are entitled. This will result in Euroclear crediting such Shares to the member account identified in the Uncertificated Subscription Notice on or prior to 30 June 2010.
