NOTES:

- (i) A member is entitled to appoint a proxy or proxies to exercise all or any of their rights to attend, speak and vote on their behalf. A proxy need not be a member of the Company. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. A member may not appoint more than one proxy to exercise rights attached to any one share.
 - (ii) A form of proxy for use by shareholders is enclosed with this document. Completion and return of the form of proxy will not prevent any shareholder from attending the meeting and voting in person. To be valid, the form of proxy should be lodged, together with any power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority at the address stated thereon, so as to be received not later than 9.00 am on 8 December 2020.
 - (iii) In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, to have the right to attend and vote at the Meeting a member must first have his or her name entered in the Company's register of members by not later than 6.30pm on 8 December 2020 (or, in the event that the Meeting is adjourned, at 6.30pm on the day which is two business days before the time of the adjourned Meeting). Changes to entries on that register after that time shall be disregarded in determining the rights of any member to attend and vote at the Meeting referred to above.
 - (iv) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the website www.euroclear.com. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
-

- (v) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's Registrar (ID RA19) no later than 9.00 am on 8 December 2020 (or in the event the meeting is adjourned no later than 48 hours (excluding non-working days) before the time of the adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- (vi) CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- (vii) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- (viii) The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 ("nominated persons"). Nominated persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights. The statement of the rights of members in relation to the appointment of proxies in notes (i) and (ii) above does not apply to Nominated Persons. The rights described in these notes can only be exercised by members of the Company.
- (ix) No Director has a service contract with the Company but copies of Directors' letters of appointment will be available for inspection at the meeting venue for at least 15 minutes prior to the Meeting and during the Meeting.
- (x) As at close of business on 29 October 2020 (being the latest practicable date prior to publication of this document), the Company's issued share capital comprised 125,955,337 Ordinary shares of 20 pence each and there were a further 33,656,340 shares held in treasury. Each Ordinary share carries the right to one vote at a general meeting of the Company and therefore the total number of voting rights in the Company as at close of business on 29 October 2020 is 125,955,337. Treasury shares represent 21.1% of the total issued Ordinary share capital (inclusive of treasury shares).
- (xi) Any person holding 3% or more of the total voting rights in the Company who appoints a person other than the Chairman as his proxy will need to ensure that both he and such third party complies with their respective disclosure obligations under the UK Disclosure and Transparency Rules.
- (xii) Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.
- (xiii) The members of the Company may require the Company to publish, on its website, a statement setting out any matter relating to the audit of the Company's accounts, including the Auditor's Report and the conduct of the audit, which they intend to raise at the next meeting of the Company. The Company will be required to do so once it has received such requests from either (i) members representing at least 5% of the total voting rights of the Company or (ii) at least 100 members who have a relevant right to vote and hold shares in the Company on which there has been paid up an average sum per member of at least £100. Such requests must be made in writing and must state your full name and address, and be sent to: The Company Secretary, Asia Dragon Trust plc, 1 George Street EH2 2LL.

Notice of Annual General Meeting Continued

- (xv) Under Section 319A of the Companies Act 2006, the Company must answer any question relating to the business being dealt with at the meeting put by a member attending the meeting unless:
1. answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
 2. the answer has already been given on a website in the form of an answer to a question; or
 3. it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
- (xvi) Shareholders are advised that, unless otherwise stated, any telephone number, website or e-mail address which may be set out in this notice of Annual General Meeting or in any related documents (including the proxy form) is not to be used for the purposes of serving information or documents on, or otherwise communicating with, the Company for any purposes other than those expressly stated.
- (xvii) There are special arrangements for holders of shares through the Aberdeen Standard Investment Plan for Children, Investment Trust Share Plan and Investment Trust ISA. These are explained in the 'Letter of Direction' which such holders will have received with this report.
- (xviii) The full terms of the proposed amendments to the Company's articles of association would have been made available for inspection as required under LR 13.8.10R (2) but for the Government restrictions, implemented in response to the Coronavirus pandemic. As an alternative, a copy of the proposed new articles of association of the Company, together with a copy of the existing articles of association of the Company marked to show the changes being proposed, will instead be available for inspection on the Company's website, www.asiadrakontrust.co.uk, from the date of the Notice of the Annual General Meeting until the close of the meeting. These documents will also be available for inspection at the meeting venue from 15 minutes before and during the Annual General Meeting. In the event that the current Coronavirus related restrictions are lifted before the Annual General Meeting, a hard copy of the proposed new articles of association of the Company, together with a copy of the existing articles of association of the Company marked to show the changes being proposed, will be available for inspection at Bow Bells House, 1 Bread Street, London EC4M 9HH until the close of the meeting.
- (xix) Given the risks posed by the spread of the Coronavirus and in accordance with the provisions of the articles of association and Government guidance, physical attendance at the Annual General Meeting may not be possible. If the law or Government guidance so requires at the time of the meeting, the Chairman will limit, in his/her sole discretion, the number of individuals in attendance at the meeting. Should the Government measures be relaxed by the time of the meeting, the Company may still impose entry restrictions on certain persons wishing to attend the Annual General Meeting in order to ensure the safety of those attending the meeting.

Appendix to the Notice of the Annual General Meeting

Summary of the principal amendments to the Company's articles of association

Set out below is a summary of the principal amendments which will be made to the Company's Existing Articles through the adoption of the New Articles if Resolution 16 to be proposed at the AGM is approved by shareholders.

This summary is intended only to highlight the principal amendments which are likely to be of interest to shareholders. It is not intended to be comprehensive and cannot be relied upon to identify amendments or issues which may be of interest to all shareholders. This summary is not a substitute for reviewing the full terms of the New Articles which will be available for inspection on the Company's website, www.asiadragontrust.co.uk, from the date of the AGM Notice until the close of the AGM, and will also be available for inspection at the venue of the AGM from 15 minutes before and during the AGM.

Hybrid/Virtual-only shareholder meetings

The New Articles permit the Company to hold shareholder meetings on a virtual basis, whereby shareholders are not required to attend the meeting in person at a physical location but may instead attend and participate using electronic means. A shareholder meeting may be virtual-only if attendees participate only by way of electronic means, or may be held on a hybrid basis whereby some attendees attend in person at a physical location and others attend remotely using electronic means. This should make it easier for the Company's shareholders to attend shareholder meetings if the Board elects to conduct meetings using electronic means. Amendments have been made throughout the New Articles to facilitate the holding of hybrid or virtual-only shareholder meetings. While the New Articles (if adopted) would permit shareholder meetings to be conducted using electronic means, the Directors have no present intention of holding a virtual-only meeting. These provisions will only be used where the Directors consider it is in the best of interests of shareholders for a hybrid or virtual-only meeting to be held. Nothing in the New Articles will prevent the Company from holding physical shareholder meetings.

International tax regimes requiring the exchange of information

The Board is proposing to include provisions in the New Articles to provide the Company with the ability to require shareholders to co-operate in respect of the exchange of information to comply with the Company's international tax reporting obligations. The Hiring Incentives to Restore Employment Act 2010 of the United States of America (commonly known as the Foreign Account Tax Compliance Act) and all associated regulations and official guidance ('FATCA') imposes a system of information reporting on certain entities including foreign financial institutions such as the Company following the enactment of the UK International Tax Compliance (United States of America) Regulations 2013 on 1st September 2013 (as replaced by the International Tax Compliance Regulations 2015 (the 'Regulations')).

It is proposed that the Existing Articles will be amended to provide the Company with the ability to require shareholders to co-operate with it so that the Company is able to comply with its obligations under the Regulations in order to avoid being deemed to be a 'Nonparticipating Financial Institution' for the purposes of FATCA (and consequently having to pay withholding tax to the US Internal Revenue Service). The Existing Articles will also be amended to ensure that the Company will not be liable for any monies that become subject to a deduction or withholding relating to FATCA, as such liability would be to the detriment of shareholders as a whole. The Regulations also include the automatic exchange of information regimes brought in by the tax regulation under the OECD (Organisation for Economic Co-operation and Development) Common Reporting Standard for Automatic Exchange of Financial Account Information (the "Common Reporting Standard") which requires investment trust companies to provide personal information to HMRC on certain investors who purchase shares in investment trusts. As a result, the Company will have to provide information annually to the local tax authority on the tax residency of a number of non-UK based certified shareholders and corporate entities.

Therefore, the Existing Articles will also be amended in order to provide the Company with the ability to require shareholders to co-operate in respect of these broader obligations including its obligations under the Common Reporting Standard and FATCA.

Minor amendments

The Board is also taking the opportunity to make some additional minor or technical amendments to the Existing Articles. These changes reflect modern best practice and are intended to relieve certain administrative burdens on the Company.
