It will also provide details regarding fees and costs and charges which may apply. The PDS may refer to an Additional Information Booklet which forms part of the PDS.

The information in the PDS is general information only and does not take into account your personal financial situation or needs.

How we (and any other relevant parties) are remunerated in connection with those services

If you acquire one of our products or services, we will receive management fees. These are generally set out in the PDS for each Fund, or in an individual contract for investment management services provided directly.

Management fee

A management fee is paid to us from the assets of each Fund. The routine costs of running each Fund, including custodian, registry, and administration costs (excluding transactional and operational costs) are paid by us from the management fee. However, we reserve the right to be additionally reimbursed from each Fund for any items and expenses of an extraordinary nature.

A portion of the Fund's assets may be directly invested in other investment vehicles managed by us and other Aberdeen Standard Investments group companies. In such situations, no additional management fees are incurred.

Aberdeen Standard Investments employees and directors may be paid a salary and may be eligible for bonus payments based on various factors, such as performance during the year. These costs are met by Aberdeen Standard Investments and not the Aberdeen Standard Investments Funds.

Service fees

If you consult a financial adviser or broker, and/or access a Fund via mFund or an IDPS Provider, advice or special request fees may be payable to them by you, or on your behalf under your arrangements with them. You should refer to their Statement of Advice, or speak to them directly regarding these fees.

Additional payments made by Aberdeen Standard Investments

Aberdeen Standard Investments may make payments to distributors of our Funds (such as master funds, IDPS Providers and dealer groups) for the administration and investment related services they provide to Aberdeen Standard Investments.

Such payments are in accordance with the Corporations Act and other regulatory requirements.

They are paid directly by us out of our own resources. They are not an additional cost to you or any Fund.

A Fund may be involved in related party transactions such as delegating the investment management to another Aberdeen Standard Investments group entity located where the relevant investment team is based or investing in or transferring assets to/from another fund or assets of which Aberdeen Standard Investments or its associates is the responsible entity, manager, trustee or promoter.

Any such arrangements are subject to strict legal and compliance guidelines to protect the interests of unitholders, including that they be allowable under the terms of the Fund documentation and are on an arm's length basis.
