If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statements of the rights of members in relation to the appointment of proxies in notes (i) to (iii) above do not apply to a Nominated Person. Appendix to the Notice of the Annual General Meeting

Summary of the principal amendments to the Company's articles of association

Set out below is a summary of the principal amendments which will be made to the Company's Existing Articles through the adoption of the New Articles if Resolution 12 to be proposed at the AGM is approved by shareholders.

This summary is intended only to highlight the principal amendments which are likely to be of interest to shareholders. It is not intended to be comprehensive and cannot be relied upon to identify amendments or issues which may be of interest to all shareholders. This summary is not a substitute for reviewing the full terms of the New Articles which will be available for inspection on the Company's website, www.aberdeensmallercompanies.co.uk, from the date of the AGM Notice until the close of the AGM, and will also be available for inspection at the venue of the AGM from 15 minutes before and during the AGM.

Hybrid/Virtual-only shareholder meetings

The New Articles permit the Company to hold shareholder meetings on a virtual basis, whereby shareholders are not required to attend the meeting in person at a physical location but may instead attend and participate using electronic means. A shareholder meeting may be virtual-only if attendees participate only by way of electronic means, or may be held on a hybrid basis whereby some attendees attend in person at a physical location and others attend remotely using electronic means. This should make it easier for the Company's shareholders to attend shareholder meetings if the Board elects to conduct meetings using electronic means. Amendments have been made throughout the New Articles to facilitate the holding of hybrid or virtual-only shareholder meetings.

While the New Articles (if adopted) would permit shareholder meetings to be conducted using electronic means, the Directors have no present intention of holding a virtual-only meeting. These provisions will only be used where the Directors consider it is in the best interests of shareholders for a hybrid or virtual-only meeting to be held. Nothing in the New Articles will prevent the Company from holding physical shareholder meetings.

International tax regimes requiring the exchange of information

The Board is proposing to include provisions in the New Articles to provide the Company with the ability to require shareholders to co-operate in respect of the exchange of information to comply with the Company's international tax reporting obligations.

The Hiring Incentives to Restore Employment Act 2010 of the United States of America (commonly known as the Foreign Account Tax Compliance Act) and all associated regulations and official guidance (**'FATCA'**) imposes a system of information

reporting on certain entities including foreign financial institutions such as the Company following the enactment of the UK International Tax Compliance (United States of America) Regulations 2013 on 1st September 2013 (as replaced by the International Tax Compliance Regulations 2015 (the **'Regulations'**)).

It is proposed that the Existing Articles will be amended to provide the Company with the ability to require shareholders to co-operate with it so that the Company is able to comply with its obligations under the Regulations in order to avoid being deemed to be a 'Nonparticipating Financial Institution' for the purposes of FATCA (and consequently having to pay withholding tax to the US Internal Revenue Service). The Existing Articles will also be amended to ensure that the Company will not be liable for any monies that become subject to a deduction or withholding relating to FATCA, as such liability would be to the detriment of shareholders as a whole.

The Regulations also include the automatic exchange of information regimes brought in by the tax regulation under the OECD (Organisation for Economic Co-operation and Development) Common Reporting Standard for Automatic Exchange of Financial Account Information (the **"Common Reporting Standard"**) which requires investment trust companies to provide personal information to HMRC on certain investors who purchase shares in investment trusts. As a result, the Company will have to provide information annually to the local tax authority on the tax residency of a number of non-UK based certified shareholders and corporate entities.

Therefore, the Existing Articles will also be amended in order to provide the Company with the ability to require shareholders to co-operate in respect of these broader obligations including its obligations under the Common Reporting Standard and FATCA.

Minor amendments

The Board is also taking the opportunity to make some additional minor or technical amendments to the Existing Articles, including: (i) clarifying that the Board may use the Company's capital reserve for any of the purposes to which sums standing to any revenue reserve may be applied (including to fund dividend payments and share buy backs if the Board believes it is in the best interests of the Company to do so); (ii) the inclusion of a procedure in the event an insufficient number of Directors are re-elected at an annual general meeting of the Company; and (iii) allowing the Company to pay dividends through bank transfers instead of by way of cheques with the further ability to retain cash payments where bank details are not provided by a shareholder. These changes reflect modern best practice and are intended to relieve certain administrative burdens on the Company.
