**ABERDEEN GLOBAL PREMIER PROPERTIES FUND
ANNOUNCES PERFORMANCE DATA AND PORTFOLIO COMPOSITION**

(Philadelphia, December 27, 2018) - [Aberdeen Global Premier Properties Fund¹ \(the “Fund”\)](#) ([NYSE: AWP](#)), a closed-end equity fund, today provided updates on the Fund since the transition of management to Aberdeen Asset Managers Limited (“Aberdeen”) on May 4, 2018, (the “transition date”) including actions of the Board of Trustees in support of the Fund’s discount, and performance data and portfolio composition as of November 30, 2018.

- On June 13, 2018, the Board of Trustees authorized management to make open market purchases, from time to time, up to 10% of the Fund’s shares of stock outstanding as of June 13, 2018. Share repurchases may be made opportunistically at certain discounts to NAV when management reasonably believes that such repurchases may enhance shareholder value. There is no assurance the Fund will purchase any shares or that the share repurchase program will have an impact on the liquidity or value of the Fund or the Fund’s share. Share repurchase activity is disclosed monthly on the Fund’s website.
- The Board of Trustees approved the Fund’s participation in the Aberdeen Investor Relations program. This a comprehensive program which includes all forms of marketing promotion including direct shareholder and advisor engagement, communications and outreach, marketing collateral and promotional campaigns and industry event participation. Dedicated marketing and product specialists work in coordination with Aberdeen’s external wholesale force to identify and support existing investors, key distribution partners, intermediary firms, research analysts, and other key gatekeepers, as well as potential buyers of the Fund by enhancing relationships directly with financial advisors and professional wealth managers, institutional investors, and other stakeholders.
- The Board of Trustees approved an expense waiver agreement such that the expense ratio of the Fund (excluding leverage costs, taxes, interest, brokerage commissions and any non-routine expenses) will not exceed 1.19%. This expense waiver serves to provide shareholders with assurance that the Fund’s expense ratio will be lower than the 2017 fiscal year and will not exceed this amount for a minimum period of two years from the transition date.

¹As of May 7, 2018, the Fund name changed from the Alpine Total Dynamic Dividend Fund.
