What will happen when you receive my complaint?

The Complaints Officer handling your complaint will attempt to fully resolve your complaint within five business days after receipt. If your complaint cannot be resolved within this time, we will send you an acknowledgement letter or email if you contacted us via that method.

In some cases, we may require more information from you to enable us to fully investigate your complaint. In this instance, we may contact you for further information.

In all cases, you will be given the name of the Complaints Officer dealing with your case.
Investigating your complaint

We will fully investigate all aspects of your complaint. Your complaint will receive the personal attention of one of our Complaints Officers in our Complaints Team.

Our Complaints Officers consider each complaint individually, co-ordinate all aspects of the information gathering process about your complaint and will endeavour to resolve the matter promptly and fairly.

Responding to your complaint

You will receive a full written response to your complaint.

In our response, we will provide you with the name of the Complaints Officer who investigated your complaint.

As above, we aim to send this response letter to you within 5 business days, however:

If after 4 weeks we are still investigating your complaint, we shall advise you in writing of:
- the reasons why the matter is still unresolved; and
- when you may next expect to hear from us.

If after 8 weeks we are still not in a position to resolve your complaint, we shall advise you in writing of:
- the reason why the matter is still unresolved;
- when you may expect to receive a final response; and
- that you may now refer the matter to the Financial Ombudsman Service.

Complaint resolution

During our investigation, we will have determined whether an error has occurred. If we have made a mistake, we will correct it and take steps to ensure that you have not been financially disadvantaged as a consequence of our error.

We will do our utmost to ensure that your complaint is resolved to your satisfaction. If you have any further issues, please contact us again.

If we have not heard from you 8 weeks after we have provided our final response, we will consider the complaint resolved.
What if I am unhappy with your response?

If you are unhappy with our response, you may take your complaint to the Financial Ombudsman Service.

What is the Financial Ombudsman Service?

Aberdeen Asset Managers Limited and Aberdeen Standard Fund Managers Limited are authorised and regulated by the Financial Conduct Authority. The Financial Ombudsman Service has been set up by law to provide consumers with a free, independent service for resolving disputes with financial firms authorised by the Financial Conduct Authority.

Access to the Financial Ombudsman Service is available to customers (or potential customers) who are eligible complainants. An eligible complainant must be a person that is:

- a consumer;
- a ‘micro-enterprise’ - an enterprise with fewer than 10 employees and an annual turnover that does not exceed €2 million;
- a charity which has an annual income of less than £6.5 million;
- a trustee of a trust which has a net asset value of less than £5 million;
- a small business with an annual turnover of less than £6.5 million (or currency equivalent) and either:
  - a balance sheet total of less than £5 million (or currency equivalent), or
  - fewer than 50 employees

The Financial Ombudsman Service may award compensation if the complainant has suffered financial loss (including consequential or prospective), pain and suffering, damage to reputation or distress and inconvenience.

- The Financial Ombudsman Service will not consider a complaint before a final response has been provided or 8 weeks has elapsed since Aberdeen Standard Investments received your complaint, unless Aberdeen Standard Investments agree to this.

### What happens after my complaint is resolved?

We analyse each complaint received to record any errors that may have occurred. Our senior management team reviews this analysis on a monthly basis to improve the level of service that we provide.

We report all complaints received to the Financial Conduct Authority. This report is submitted twice a year.

### Professional Clients

Complaints received from professional clients and eligible counterparties will be handled in the same way as complaints received from retail clients. However, professional clients and eligible counterparties may not meet the definition of “eligible complainant” and therefore may not have access to the Financial Ombudsman Service.
