(11) Status of business operations related to acts specified under FIEA Article 63(1)(ii)

① Status of internal control

The Group is committed to building and continuously improving a sound and effective system of internal control and a risk management framework that is embedded within its operations; this is the Group's first line of defence.

The Group's Risk Division, as the second line of defence, exists to support management in the identification and mitigation of risks and provides independent monitoring of the business. The Division includes Conduct & Compliance, Operational Risk and Investment Risk Oversight. The team is headed by the Group's Head of Risk, who reports to the Chief Executive Officer of the Group. The Risk Division achieves its objective through embedding the Risk Management Framework throughout the organization using the Group's operational risk management system (SHIELD).

The Group's Internal Audit Department is independent of the Risk Division and reports directly to the Group co-CEOs and to the Chair of the Audit Committee of the Group's Board of Directors. The Internal Audit Department is responsible for providing an independent assessment of the Group's control environment; it is the Group's third line of defence.

The Group's corporate governance structure is supported by several committees that bring together Group's subject matter experts from different departments, to assist the Group's Board of Directors, its subsidiaries and the funds to fulfil their roles and responsibilities. The Group's Risk Division is represented on all committees, with the exception of those that deal with investment recommendations to the Boards. The specific goals and guidelines on the functioning of those committees are described in their respective terms of reference.
