Data Subjects may request, in the manner and subject to the limitations prescribed in accordance with Data Protection Law, (i) access to and rectification or deletion of, any incorrect Personal Data concerning themselves, (ii) a restriction or objection of processing of Personal Data concerning themselves and, (iii) to receive Personal Data concerning themselves in a structured, commonly used and machine readable format or to transmit those Personal Data to another controller and, (iv) to obtain a copy of, or access to, the appropriate or suitable safeguards, such as standard contractual clauses, binding corporate rules, an approved code of conduct, or an approved certification mechanism, which have been implemented for transferring the Personal Data outside of the European Union. In particular, Data Subjects may at any time object, on request, to the processing of Personal Data concerning themselves for marketing purposes or for any other processing carried out on the basis of the legitimate interests of Controllers or Processors. Each Data Subject should address such requests to the Management Company to the attention of the Data Protection Officer.
