COMMON SHAREHOLDERS

<u>Payable Dates</u>	<u>Foreign Source Income (1)</u>

The foreign source income has taxes associated with it that were paid by the Fund to various foreign jurisdictions. The Fund has elected to pass through the foreign taxes to its shareholders. Accordingly, you may deduct your portion of the taxes in computing your taxable income. Alternatively, it may be beneficial for you to forego the deduction and to take a credit against your tax liability. These deductions or credits may be subject to limitations under the tax law. Your portion of the foreign taxes paid has been included on your Form 1099-DIV.

Please consult your tax advisor regarding the appropriate treatment of foreign source income and foreign taxes paid. For clarification of the information reported above, please call Aberdeen Asset Management Inc. at 1-800-522-5465 or visit our website www.aberdeenefax.com.
