## **2. SHARE CAPITAL**

### **2.1. Rights attached to shares**

Subject to the provisions of the Statutes and to any rights previously conferred on the holders of any other shares, any share may be issued with or have attached to it such rights and restrictions as the Company may by ordinary resolution decide or, if no such resolution has been passed or so far as the resolution does not make specific provision, as the Board may decide.

## **2.2. Redeemable shares**

Subject to the provisions of the Statutes and to any rights previously conferred on the holders of any other shares, any share may be issued which is to be redeemed, or is liable to be redeemed at the option of the Company or the holder.

## **2.3. Purchase of own shares**

Subject to the provisions of the Statutes and to any rights previously conferred on the holders of any class of shares and to any requirements imposed by the FCA in respect of securities admitted to listing, the Company may purchase or may enter into a contract under which it will or may purchase all or any of its shares of any class, including any redeemable shares. Neither the Company nor the Board shall be required to select the shares to be purchased rateably or in any other particular manner as between the holders of shares of the same class or as between them and the holders of shares of any other class or in accordance with the rights as to dividends or capital conferred by any class of shares.

## **2.4. Warrants to subscribe for shares**

The Company may, subject to the provisions of the Statutes and of these Articles, issue warrants to subscribe for shares in the Company. Such warrants shall be issued upon such terms and subject to such conditions as may be resolved upon by the Directors including, without prejudice to the foregoing generality, terms and conditions which provide that, on a winding up of the Company, a holder of warrants may be entitled to receive out of the assets of the Company available in the liquidation *pari passu* with the holders of shares of the same class as the shares in respect of which the subscription rights conferred by the warrants can be exercised such a sum as he would have received had he exercised the subscription rights conferred by his warrants prior to the winding up but under deduction of the price (if any) payable on exercise of such subscription rights.

## **2.5. Variation of rights**

Subject to the provisions of the Statutes, all or any of the rights for the time being attached to any class of shares for the time being issued may from time to time (whether or not the Company is being wound up) be varied either with the consent in writing of the holders of not less than three-fourths in nominal value of the issued shares of that class (excluding any shares of that class held as treasury shares) or with the sanction of a special resolution passed at a separate general meeting of the holders of those shares. All the provisions of these Articles as to general meetings of the Company shall, *mutatis mutandis*, apply to any such separate general meeting, but so that the necessary quorum shall be two persons holding or representing by proxy not less than one-third in nominal value of the issued shares of the class (excluding any shares of that class held as treasury shares), (but so that at any adjourned meeting one holder present in person or by proxy (whatever the number of shares held by him) shall be a quorum), that every holder of shares of the class present in person or by proxy (excluding any shares of that class held as treasury shares) shall be entitled on a poll to one vote for every share of the class held

by him (subject to any rights or restrictions attached to any class of shares) and that any holder of shares of the class present in person or by proxy may demand a poll. The foregoing provisions of this Article shall apply to the variation of any special rights which only attach to certain shares of a particular class as if the shares carrying such special rights formed a separate class.

## **2.6. Pari passu issues**

The rights conferred upon the holders of any shares shall not, unless otherwise expressly provided in the rights attaching to those shares, be deemed to be varied by the creation or issue of further shares ranking pari passu with them.

## **2.7. Unissued shares**

Subject to the provisions of the Statutes and these Articles and without prejudice to any rights attached to existing shares, the unissued shares of the Company (whether forming part of the original or any increased capital) shall be at the disposal of the Board which may offer, allot, grant options over or otherwise deal with or dispose of them to such persons, at such times and for such consideration and upon such terms as the Board may decide.

## **2.8. Renunciation**

The Directors may at any time after the allotment of any share, but before any person has been entered in the register of members as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose.

## **2.9. Shares not to be allotted at a discount**

Unissued shares in the Company shall not be allotted at a discount and, save as permitted by the Statutes, shall not be allotted except as paid up at least as to one-quarter of their nominal value and the whole or any premium thereon.

## **2.10. Financial assistance**

The Company shall not give any financial assistance in connection with the acquisition of shares in the Company except insofar as permitted by, and in accordance with, the Statutes.

## **2.11. Payment of commission**

The Company may exercise the powers of paying commissions conferred by the Statutes to the full extent permitted by, and in accordance with, the Statutes. Such commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other. The Company may also on any issue of shares pay such brokerage as may be lawful.

## 2.12. Interests not recognised

Except as required by law or by these Articles, the Company shall not be bound by or compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these Articles or by law otherwise provided) any other right in respect of any share, except an absolute right to the entirety thereof in the holder.

## 2.13. Recognition of trusts

The Company shall be entitled, but, except as required by law or by these Articles, shall not be bound, to recognise in such manner and to such extent as it may think fit any trusts in respect of any of the shares of the Company. Notwithstanding any such recognition, the Company shall not be bound to see to the execution, administration or observance of any trust, whether express, implied or constructive, in respect of any shares in the Company and shall be entitled to recognise and give effect to the acts and deeds of the holders of such shares as if they were the absolute owners thereof. For the purpose of this Article 2.13, "trust" includes any right in respect of any shares in the Company other than an absolute right thereto in the holder thereof for the time being or such other rights in the case of transmission thereof as are mentioned in these Articles.

## 2.14. Suspension of rights where non-disclosure of interest

- (a) Where the holder of any shares in the Company, or any other person appearing to be interested in those shares, fails to comply within the relevant period with any statutory notice in respect of those shares, the Company may give the holder of those shares a further notice (a "**restriction notice**") to the effect that from the service of the restriction notice those shares will be subject to some or all of the relevant restrictions, and from service of the restriction notice those shares shall, notwithstanding any other provision of these Articles, be subject to those relevant restrictions accordingly.
- (b) If, after the service of a restriction notice in respect of any shares, the Board is satisfied that all information required by any statutory notice relating to those shares or any of them from their holder or any other person appearing to be interested in the shares the subject of the restriction notice has been supplied, the Company shall, within seven days, cancel the restriction notice. The Company may at any time at its discretion cancel any restriction notice or exclude any shares from it. A restriction notice shall automatically cease to have effect in respect of any shares transferred where the transfer is pursuant to an arm's length sale of those shares.
- (c) Where any restriction notice is cancelled or ceases to have effect in relation to any shares, any moneys relating to those shares which were withheld by reason of that notice shall be paid without interest to the person who would but for the notice have been entitled to them or as he may direct.

- (d) Any new shares in the Company issued in right of any shares subject to a restriction notice shall also be subject to the restriction notice, and the Board may make any right to an allotment of the new shares subject to restrictions corresponding to those which will apply to those shares by reason of the restriction notice when such shares are issued.
- (e) Any holder of shares on whom a restriction notice has been served may at any time request the Company to give in writing the reason why the restriction notice has been served, or why it remains uncanceled, and within 14 days of receipt of such a notice the Company shall give that information accordingly.
- (f) If a statutory notice is given by the Company to a person appearing to be interested in any share, a copy shall at the same time be given to the holder, but the failure or omission to do so or the non-receipt of the copy by the holder shall not invalidate such notice.
- (g) This Article is in addition to, and shall not in any way prejudice or affect, the statutory rights of the Company arising from any failure by any person to give any information required by a statutory notice within the time specified in it. For the purpose of this Article a statutory notice need not specify the relevant period, and may require any information to be given before the expiry of the relevant period.
- (h) In this Article:
  - (i) a sale is an "**arm's length sale**" if the Board is satisfied that it is a bona fide sale of the whole of the beneficial ownership of the shares to a party unconnected with the holder or with any person appearing to be interested in such shares and shall include a sale made by way of or in pursuance of acceptance of a takeover offer (as defined in section 974 of the 2006 Act) and a sale made through the London Stock Exchange or any other stock exchange outside the United Kingdom on which the Company's shares are normally traded. For this purpose an associate (within the definition of that expression in any statute relating to insolvency in force at the date of adoption of this Article) shall be included amongst the persons who are connected with the holder or any person appearing to be interested in such shares;
  - (ii) "**person appearing to be interested**" in any shares shall mean any person named in a response to a statutory notice or otherwise notified to the Company by a member as being so interested or shown in any Register kept by the Company under the Statutes as so interested or, taking into account a response or failure to respond in the light of the response to any other statutory notice and any other relevant information in the possession of the Company, any person whom the Company knows or has reasonable cause to believe is or may be so interested;

- (iii) "**person with a 0.25 per cent. interest**" means a person who holds, or is shown in any Register kept by the Company under the Statutes as having an interest in, shares in the Company which comprise in total at least 0.25 per cent. in number or nominal value of the shares of the Company (calculated exclusive of treasury shares), or of any class of such shares, in issue at the date of service of the statutory notice or the restriction notice (as the case may be) (calculated exclusive of treasury shares);
- (iv) "**relevant period**" means a period of 14 days following service of a statutory notice;
- (v) "**relevant restrictions**" means in the case of a restriction notice served on a person with a 0.25 per cent. interest that:
  - (A) the shares shall not confer on the holder any right to attend or vote either personally or by proxy at any general meeting of the Company or at any separate general meeting of the holders of any class of shares in the Company or to exercise any other right conferred by membership in relation to attending general meetings and voting;
  - (B) the Board may withhold payment of all or any part of any dividends (including shares issued in lieu of dividends) payable in respect of the shares;
  - (C) the Board may (subject to the requirements of the Uncertificated Securities Regulations) decline to register a transfer of the shares or any of them unless such a transfer is pursuant to an arm's length sale;and in any other case means only the restriction specified in subparagraph (A) of this definition; and
- (vi) "**statutory notice**" means a notice served by the Company under the Statutes requiring particulars of interests in shares or of the identity of persons interested in shares.

## 2.15. Uncertificated shares

- (a) Pursuant and subject to the Uncertificated Securities Regulations, (referred to in this Article as "**the Regulations**"), the Board may permit title to shares of any class to be evidenced otherwise than by a certificate and title to shares of such a class to be transferred by means of a relevant system and may make arrangements for a class of shares (if all shares of that class are in all respects identical) to become a participating class. Title to shares of a particular class may only be evidenced otherwise than by a certificate where that class of shares is for the time being a participating class. The Board may also, subject to compliance

with the Regulations and the rules of any relevant system, determine at any time that title to any class of shares may from a date specified by the Board no longer be evidenced otherwise than by a certificate or that title to such a class shall cease to be transferred by means of any particular relevant system. For the avoidance of doubt, shares which are uncertificated shares shall not be treated as forming a class which is separate from certificated shares with the same rights. The Company shall enter on the Register, in respect of any participating class, the number of shares that each member having both uncertificated and certificated shares of that class holds in uncertificated form and certificated form respectively.

- (b) In relation to a class of shares which is, for the time being, a participating class and for so long as it remains a participating class, no provision of these Articles shall apply or have effect to the extent that it is inconsistent in any respect with:
- (i) the holding of shares of that class in uncertificated form;
  - (ii) the transfer of title to shares of that class by means of a relevant system; and
  - (iii) any provision of the Regulations,

and, without prejudice to the generality of this Article, no provision of these Articles shall apply or have effect to the extent that it is in any respect inconsistent with the maintenance, keeping or entering up by the Operator, so long as that is permitted or required by the Regulations, of an Operator register of securities in respect of that class of shares in uncertificated form.

- (c) Shares of a class which is for the time being a participating class may be changed from uncertificated to certificated form, and from certificated to uncertificated form, in accordance with and subject as provided in the Regulations and the rules of any relevant system.
- (d) Unless the Board otherwise determines, or the Regulations or the rules of the relevant system concerned otherwise require, any shares issued or created out of or in respect of any uncertificated shares shall be uncertificated shares and any shares issued or created out of or in respect of any certificated shares shall be certificated shares.
- (e) The Company shall be entitled to assume that the entries on any record of securities maintained by it in accordance with the Regulations and regularly reconciled with the relevant Operator register of securities are a complete and accurate reproduction of the particulars entered in the Operator register of securities and shall accordingly not be liable in respect of any act or thing done or omitted to be done by or on behalf of the Company in reliance on such assumption.

## **2.16. Right to share certificates**

Subject to the provisions of the Uncertificated Securities Regulations, the rules of any relevant system and these Articles, every person (except a person to whom the Company is not by law required to issue a certificate) whose name is entered in the Register as a holder of any certificated shares shall be entitled, without payment, to receive within whichever is the earlier of:

- (a) any time period required by the listing rules of the FCA; and
- (b) any time limits prescribed by the Statutes,

one certificate for all those shares of any one class or several certificates each for one or more of the shares of the class in question upon payment for every certificate after the first of such reasonable out-of-pocket expenses as the Board may from time to time decide. In the case of a certificated share held jointly by several persons, the Company shall not be bound to issue more than one certificate and delivery of a certificate to one of several joint holders shall be sufficient delivery to all. A member who transfers some but not all of the shares comprised in a certificate shall be entitled to a certificate for the balance without charge. The Company shall not be bound to register more than four persons as the joint holders of a share. For the avoidance of doubt, the Company may issue a certificate in relation to uncertificated shares when required to do so by a holder of uncertificated shares.

## **2.17. Replacement of share certificates**

If a share certificate is defaced, worn out, lost or destroyed, it may be replaced on such terms (if any) as to evidence and indemnity as the Board may decide and, where it is defaced or worn out, after delivery of the old certificate to the Company. Any two or more certificates representing shares of any one class held by any member shall at his request be cancelled and a single new certificate for such shares issued in lieu. Any certificate representing shares of any one class held by any member may at his request be cancelled and two or more certificates for such shares may be issued instead. Any one of two or more joint holders may request replacement certificates under this Article. The Board may require the payment of any administration expenses and exceptional out of pocket expenses of the Company incurred in connection with the issue of any certificate under this Article.

## **2.18. Execution of share certificates**

Every share certificate shall be executed under a seal (or under a securities seal or, in the case of shares on a branch Register, an official seal for use in the relevant territory) or in such other manner as the Board having regard to the terms of issue and any listing requirements may authorise, and shall specify the number and class of the shares to which it relates and the amount or respective amounts paid up on the shares. The Board may by resolution decide, either generally or in any particular case or cases, that any signatures on any share certificates need not be autographic but may be applied to the certificates by

some mechanical means or may be printed on them or that the certificates need not be executed by any person.

**2.19. Delivery of certificate to broker or agent**

Delivery of a certificate for certificated shares to a broker or agent acting in regard to the purchase or transfer of shares to which it relates shall be sufficient delivery to the purchaser or the transferee, as the case may be.

**3. LIEN**

**3.1. Company's lien on shares not fully paid**

The Company shall have a first and paramount lien on every share (not being a fully paid share) for all amounts payable to the Company (whether presently or not) in respect of that share. The Company's lien on a share shall extend to every amount payable in respect of it. The Board may at any time either generally or in any particular case waive any lien that has arisen or declare any share to be wholly or in part exempt from the provisions of this Article.

**3.2. Enforcing lien by sale**

The Company may sell, in such manner as the Board may decide, any share on which the Company has a lien if a sum in respect of which the lien exists is presently payable and is not paid within seven clear days after a notice in writing has been served on the holder of the share or the person who is entitled by transmission to the share and who has supplied the Company with an address within the United Kingdom for the service of notices, demanding payment and stating that if the notice is not complied with the share may be sold. For giving effect to the sale:

- (a) in the case of a share in certificated form, the Board may authorise any person to execute an instrument of transfer; and
- (b) in the case of a share in uncertificated form, the Board may:
  - (i) to enable the Company to deal with the share in accordance with this Article, require the Operator of a relevant system to convert the share into certificated form; and
  - (ii) after such conversion, authorise any person to execute an instrument of transfer and/or take such other steps as the Board thinks fit to effect the transfer.

The transferee shall not be bound to see to the application of the purchase money, nor shall his title to the share be affected by any irregularity or invalidity in relation to the sale.

### **3.3. Application of proceeds of sale**

The net proceeds, after payment of the costs, of the sale by the Company of any share on which it has a lien shall be applied in or towards payment or discharge of the debt or liability in respect of which the lien exists so far as it is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale and upon surrender, if required by the Company, for cancellation of the certificate for the share sold) be paid to the person who was entitled to the share at the time of the sale.

## **4. CALLS ON SHARES**

### **4.1. Calls**

Subject to the terms of issue, the Board may from time to time make calls upon the members in respect of any moneys unpaid on their shares (whether on account of the nominal amount of the shares or by way of premium) and not payable on a date fixed by or in accordance with the terms of issue, and each member shall (subject to the Company serving upon him at least fourteen clear days' notice specifying when and where payment is to be made) pay to the Company as required by the notice the amount called on his shares. A call may be made payable by instalments. A call may be revoked or postponed, in whole or in part, as the Board may decide. A person upon whom a call is made shall remain liable for all calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made.

### **4.2. Payment on calls**

A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed.

### **4.3. Liability of joint holders**

The joint holders of a share shall be jointly and severally liable to pay all calls in respect of the share.

### **4.4. Interest due on non-payment**

If a call remains unpaid after it has become due and payable, the person from whom it is due and payable shall pay interest on the amount unpaid from the day it is due and payable to the time of actual payment at such rate, not exceeding 15 per cent. per annum, as the Board may decide, and all expenses that have been incurred by the Company by reason of such non-payment, but the Board shall be at liberty in any case or cases to waive payment of the interest or expenses wholly or in part.

### **4.5. Sums due on allotment treated as calls**

Any amount which becomes payable in respect of a share on allotment or on any other date fixed by or in accordance with the terms of issue, whether in respect of the nominal

amount of the share or by way of premium or as an instalment of a call, shall be deemed to be a call and, if it is not paid, all the provisions of these Articles shall apply as if the sum had become due and payable by virtue of a call.

#### **4.6. Power to differentiate**

Subject to the terms of issue, the Board may on the issue of shares differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment of such calls.

#### **4.7. Payment of calls in advance**

The Board may, if it thinks fit, receive from any member who is willing to advance them all or any part of the moneys uncalled and unpaid upon any shares held by him and upon all or any of the moneys so advanced may (until they would, but for the advance, become presently payable) pay interest at such rate, not exceeding (unless the Company by ordinary resolution shall otherwise direct) 12 per cent. per annum, as the Board and the member paying such moneys in advance may agree.

### **5. FORFEITURE AND SURRENDER OF SHARES**

#### **5.1. Notice to pay unpaid calls and forfeiture**

If any member fails to pay in full any call or instalment on or before the day appointed for payment thereof, the Board may, at any time thereafter, serve a notice on him requiring him to pay so much of the call or instalment as is unpaid together with any interest which may have accrued and any expenses incurred by the Company by reason of such non-payment. The notice shall name a further day (not earlier than the expiration of seven days from the date of service of the notice) on or before which, and the place within the United Kingdom where, such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment on or before the time and at the place appointed, the shares in respect of which such call or instalment is payable will be liable to be forfeited. If the requirements of any such notice as aforesaid are not complied with, the Board may by resolution at any time thereafter, but before the payment of all calls or instalments and interest and expenses due in respect thereof has been made, forfeit any share in respect of which such notice has been given. Such forfeiture shall extend to all dividends declared in respect of the shares so forfeited and not actually paid before such forfeiture. Forfeiture shall be deemed to occur at the time of the passing of the said resolution of the Board. The Board may accept a surrender of any share liable to be forfeited hereunder and, in that event, reference in these Articles to forfeiture shall include surrender.

#### **5.2. Notice of forfeiture**

Any person whose shares have been forfeited or surrendered shall cease to be a member in respect of those shares. When any share has been forfeited in accordance with these Articles, notice of the forfeiture shall be served upon the person who was, before forfeiture, the holder of the share, or the person entitled to the share by transmission, and an entry of

the forfeiture or surrender, with the date thereof, shall forthwith be made in the Register, but no forfeiture shall be invalidated by any failure to give such notice or make such entry as aforesaid.

### **5.3. Forfeited shares to be the property of the Company**

A share so forfeited or surrendered shall become and be deemed to be the property of the Company, and may be sold, re-allotted or otherwise disposed of to such person (including the person who was before such forfeiture or surrender the holder thereof or entitled thereto) and in such manner and upon such terms, either subject to or discharged from all calls made or instalments due prior to the forfeiture or surrender, as the Board thinks fit; provided that the Company shall not exercise any voting rights in respect of such share. Any such share not disposed of in accordance with the foregoing provision of this Article, within a period of three years from the date of its forfeiture or surrender, shall thereupon be cancelled in accordance with the provisions of the Statutes. For the purpose of giving effect to any such sale or other disposition:

- (a) in the case of a share in certificated form, the Board may authorise any person to execute an instrument of transfer to the purchaser of such share or other person becoming entitled thereto;
- (b) in the case of a share in uncertificated form, the Board may:
  - (i) to enable the Company to deal with the share in accordance with this article, require the Operator of a relevant system to convert the share into certificated form; and
  - (ii) after such conversion, authorise any person to execute an instrument of transfer to the purchaser of such share or other person becoming entitled thereto,

and/or take such other steps as the Board thinks fit to effect the sale or other disposition. The Company may receive the consideration (if any) given for the share on its sale or disposal (which consideration shall belong to the Company) and the Company shall not be liable in any respect to the person whose share has been forfeited for such consideration, and the Company may use such consideration for any purpose as the Board may from time to time decide.

### **5.4. Board may annul forfeiture**

The Board may, at any time before any share so forfeited or surrendered shall have been cancelled or sold, re-allotted or otherwise disposed of, annul the forfeiture or surrender upon such terms as it thinks fit.

### **5.5. Forfeiture not to extinguish liability to pay**

Any person whose shares have been forfeited or surrendered shall, notwithstanding that he shall have ceased to be a member in respect of those shares, remain liable to pay to

the Company all moneys which, at the date of the forfeiture or surrender, were presently payable by him to the Company in respect of the shares, together with interest thereon at the rate of 15 per cent. per annum (or such lower rate as the Board may determine) from the time of forfeiture or surrender until the time of payment, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares, together with interest as aforesaid. The Board may at its absolute discretion enforce payment without any allowance for the value of the shares at the time of forfeiture or surrender or for any consideration received on their disposal or waive payment in whole or in part.

#### **5.6. Statutory declaration as to forfeiture**

A statutory declaration that the declarant is a director of the Company or the secretary and that a share has been forfeited on a specified date shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share. The declaration shall (subject to the execution of an instrument of transfer if necessary) constitute a good title to the share and the person to whom the share is sold or otherwise disposed of shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, sale or disposal.

### **6. TRANSFER OF SHARES**

#### **6.1. Transfer**

Subject to such of the restrictions of these Articles as may be applicable:

- (a) any member may transfer all or any of his uncertificated shares by means of a relevant system in such manner provided for, and subject as provided in the Uncertificated Securities Regulations and the rules of any relevant system, and accordingly no provision of these Articles shall apply in respect of an uncertificated share to the extent that it requires or contemplates the effecting of a transfer by an instrument in writing or the production of a certificate for the share to be transferred; and
- (b) any member may transfer all or any of his certificated shares by an instrument of transfer in any usual form or in any other form which the Board may approve. The instrument of transfer shall be executed by or on behalf of the transferor and (in the case of a partly paid share) the transferee, and the transferor shall be deemed to remain the holder of the share concerned until the name of the transferee is entered in the Register in respect of it. All instruments of transfer, when registered, may be retained by the Company.

#### **6.2. Rights to decline registration of partly paid shares**

The Board may, in its absolute discretion and without giving any reason for so doing, decline to register any transfer of any share which is not a fully paid share provided that where such share is admitted to the Official List of the FCA such discretion may not be

exercised in such a way as to prevent dealings in shares of that class from taking place on an open and proper basis.

### **6.3. Other rights to decline registration**

- (a) The Board may only decline to register a transfer of an uncertificated share in the circumstances set out in the Uncertificated Securities Regulations, and where, in the case of a transfer to joint holders, the number of joint holders to whom the uncertificated share is to be transferred exceeds four.
- (b) The Board may decline to register any transfer of a certificated share unless:
  - (i) the instrument of transfer is left at the Office or such other place as the Board may from time to time determine accompanied (save in the case of a transfer by a person to whom the Company is not required by law to issue a certificate and to whom a certificate has not been issued) by the certificate for the share to which it relates and such other evidence as the Board may reasonably require to show the right of the person executing the instrument of transfer to make the transfer;
  - (ii) (if stamp duty is generally chargeable on transfers of certificated shares) the instrument of transfer is duly stamped or adjudged or certified as not chargeable to stamp duty;
  - (iii) the instrument of transfer is in respect of only one class of share; and
  - (iv) in the case of a transfer to joint holders, the number of joint holders to whom the share is to be transferred does not exceed four.

### **6.4. Notice of refusal**

If the Board declines to register a transfer of a share it shall, within two months after the date on which the instrument of transfer was lodged or, in the case of uncertificated shares, within two months after the date on which the relevant Operator-instruction is received, send to the transferee notice of the refusal together with reasons for the refusal. The directors shall send to the transferee such further information about the reasons for the refusal as the transferee may reasonably request.

### **6.5. No fee for registration**

No fee shall be charged by the Company for registering any transfer, document or instruction relating to or affecting the title to any share or for making any other entry in the Register.

### **6.6. Registration of transfers may be suspended**

Subject to the Statutes and the requirements of the FCA, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine and either generally or in respect of any class of shares.

## 6.7. Untraced shareholders

- (a) The Company may sell any shares in the Company on behalf of the holder of, or person entitled by transmission to, the shares by instructing their sale on the London Stock Exchange, or on any other stock exchange outside the United Kingdom on which the Company's shares are normally traded, at the best price reasonably obtainable at the time of the sale if:
- (i) the shares have been in issue, either in certificated or uncertificated form, throughout the qualifying period and at least three cash dividends have become payable on the shares during the qualifying period;
  - (ii) no cash dividend payable on the shares has either been claimed by presentation to the paying bank of the relevant cheque, warrant or similar financial instrument or been satisfied by the transfer of funds to an account with a bank or other financial institution or organisation operating deposit accounts designated by the holder of, or person entitled by transmission to, the shares or by the transfer of funds by means of a relevant system or other funds transfer system at any time during the relevant period;
  - (iii) the Company has sent a notice to the last known postal address the Company has for the holder of, or person entitled by transmission to, the shares or the postal address at which service of notices may be effected under these Articles, giving notice of its intention to sell the shares, the Company being satisfied that prior to sending such notice the Company has made such efforts as it considers reasonable to trace the relevant holder of, or person entitled by transmission to, the shares, which may include employing a professional asset reunification company or other tracing agent; and
  - (iv) during the qualifying period and for three months after sending the noticed referred to in sub-paragraph (iii) above, so far as any director of the Company is aware, the Company has not received any communication from the holder of, or person entitled by transmission to, the shares.
- (b) For the purpose of this Article:
- (i) **"the qualifying period"** means the period of twelve years immediately preceding the date of the sending of the notice referred to in sub-paragraph (a)(iii) above; and
  - (ii) **"the relevant period"** means the period beginning at the commencement of the qualifying period and ending on the date when

all the requirements of sub-paragraphs (i) to (a)(iv) above have been satisfied.

- (c) If during any relevant period further shares have been issued in right of those held at the beginning of that relevant period or of any previously so issued during that relevant period and all the requirements of sub-paragraphs (ii) to (iv) above have been satisfied in regard to the further shares, the Company may also sell the further shares.
- (d) To give effect to the sale of any share pursuant to this Article:
  - (i) in the case of a share in certificated form, the Board may authorise any person to transfer the share in question and an instrument of transfer executed by that person shall be as effective as if it had been executed by the holder of, or person entitled by transmission to, the share; and
  - (ii) in the case of a share in uncertificated form, the Board may require the Operator of a relevant system to convert the share into certificated form and, after such conversion, authorise any person to transfer the share in question and an instrument of transfer executed by that person shall be as effective as if it had been executed by the holder of, or person entitled by transmission to, the share.

The purchaser shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of sale of any share sold pursuant to this article, together with any unpaid or unclaimed dividends or other moneys payable in respect of such share (to the extent not already forfeited under these Articles), shall be forfeited and shall belong to the Company and the Company will not be liable in any respect to the former holder of, or person entitled by transmission to, the share by law for such proceeds of sale or such dividends or other moneys. The Company may use such proceeds of sale, dividends and other moneys for any purpose as the Board may from time to time decide.

## **7. TRANSMISSION OF SHARES**

### **7.1. Transmission on death**

If a member dies, the survivor or survivors, where he was a joint holder, and his personal representatives, where he was a sole holder or the only survivor of joint holders, shall be the only persons recognised by the Company as having any title to his shares; but nothing contained in these Articles shall release the estate of a deceased holder from any liability in respect of any share held by him solely or jointly with other persons.

## **7.2. Entry of transmission in register**

Where the entitlement of a person to a share in consequence of the death or bankruptcy of a member or of any other event giving rise to its transmission by operation of law is proved to the satisfaction of the Board, the Board shall within two months after proof cause the entitlement of that person to be noted in the Register.

## **7.3. Election of person entitled by transmission**

Any person entitled by transmission to a share may, subject as provided elsewhere in these Articles, elect either to become the holder of the share or to have some person nominated by him registered as the holder. If he elects to be registered himself he shall give notice to the Company to that effect. If he elects to have another person registered, he shall transfer title to the share to that person. The Board may at any time give notice requiring the person to elect either to be registered himself or to transfer the share and if the notice is not complied with within sixty days the Board may withhold payment of all dividends and other moneys payable in respect of the share until the requirements of the notice have been complied with. All the provisions of these Articles relating to the transfer of, and registration of transfers of, shares shall apply to the notice or transfer as if the death or bankruptcy of the member or other event giving rise to the transmission had not occurred and the notice or transfer was given or executed by the member.

## **7.4. Rights of person entitled by transmission**

Where a person becomes entitled by transmission to a share, the rights of the holder in relation to that share shall cease, but the person entitled by transmission to the share may give a good discharge for any dividends or other moneys payable in respect of it and shall have the same rights in relation to the share as he would have had if he were the holder of it save that, until he becomes the holder, he shall not be entitled in respect of the share (except with the authority of the Board) to attend or vote at any general meeting of the Company or at any separate general meeting of the holders of any class of shares in the Company.

## **8. ALTERATION OF SHARE CAPITAL**

### **8.1. Increase, consolidation, sub-division and cancellation**

The Company may from time to time by ordinary resolution:

- (a) increase its share capital by such sum to be divided into shares of such amount as the resolution shall prescribe;
- (b) consolidate, or consolidate and then divide, all or any of its share capital into shares of larger amount than its existing shares;
- (c) sub-divide all or any of its shares into shares of smaller amount and the resolution may determine that, as between the shares resulting from the sub-division, any of them may be given any preferred, deferred or other rights or be

subject to any restrictions as the Company has power to attach to unissued or new shares as compared with the others; and

- (d) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the shares so cancelled.

## **8.2. Fractions**

Subject to any direction by the Company in general meeting, whenever as a result of any consolidation and division or sub-division of shares any members of the Company would become entitled to any issued shares of the Company in fractions, the Board may deal with such fractions as it shall determine and in particular may sell the shares to which members would become so entitled in fractions to any person (including, subject to the provisions of the Statutes, the Company) for the best price reasonably obtainable and pay and distribute to and amongst the members entitled to such shares, in due proportions, the net proceeds of the sale thereof provided that where the entitlement of a member is to a sum of less than £3.00 then such sum may be retained by the Company for its own benefit. For the purpose of giving effect to any such sale the Board may authorise some person to transfer or deliver the shares to, or in accordance with the directions of, the purchaser and may cause the name of the purchaser to be entered in the Register as the holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. So far as the Statutes allow, the Board may treat certificated shares of a member and uncertificated shares of the same member as separate holdings in giving effect to subdivisions and/or consolidations and may cause any shares arising on consolidation or subdivision and representing fractional entitlements to be entered in the Register as certificated shares where this is desirable to facilitate the sale thereof.

## **8.3. Reduction of capital**

The Company may by special resolution reduce its share capital, any capital redemption reserve, any share premium account or any other undistributable reserve in any manner permitted by, and in accordance with, the Statutes.

## **9. WARRANTS**

### **9.1. Issue of share warrants to bearer**

The Company may, with respect to any fully paid shares, issue a warrant to bearer (referred to in these Articles as a "**share warrant**") stating that the bearer of the warrant is entitled to the shares specified in it and may provide (by coupons or otherwise) for the payment of future dividends on the shares included in a share warrant.

## **9.2. Conditions of issue of share warrants to bearer**

The powers referred to in Article 9.1 may be exercised by the Directors who may determine and vary the conditions upon which share warrants shall be issued and in particular upon which:

- (a) a new share warrant or coupon will be issued in the place of one damaged, defaced, worn out or lost (provided that no new share warrant will be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed);
- (b) the bearer of a share warrant shall be entitled to receive notice of and to attend, vote and demand a poll at general meetings;
- (c) dividends will be paid; and
- (d) a share warrant may be surrendered and the name of the holder entered in the register of members in respect of the shares specified in it.

Subject to such conditions and to these Articles, the bearer of a share warrant shall be deemed to be a member for all purposes. The bearer of a share warrant shall be subject to the conditions for the time being in force and applicable thereto made before or after the issue of such share warrant. The Company may, with respect to any fully paid shares, issue a warrant to bearer (referred to in these Articles as a "**share warrant**") stating that the bearer of the warrant is entitled to the shares specified in it and may provide (by coupons or otherwise) for the payment of future dividends on the shares included in a share warrant.

## **10. STOCK**

### **10.1. Conversion of stock**

Subject to the provisions of these Articles, the Company may from time to time by ordinary resolution convert any stock into fully paid shares of any denomination.

### **10.2. Transfer of stock**

The holders of stock may transfer such stock or any part thereof, unless otherwise directed by ordinary resolution of the Company, in the same manner and subject to the same regulations as those subject to which the shares from which the stock arose might, prior to conversion, have been transferred (or as near thereto as circumstances admit) but no stock shall be transferable except in such units (not being greater than the nominal value of the shares from which the stock arose) as the Directors may from time to time determine.

### **10.3. Rights of stockholders**

The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividend, return of capital, voting and

other matters as if they held the shares from which the stock arose, but no such right, privilege or advantage (except as regards participation in the dividends, profits or assets of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such right, privilege or advantage. All the provisions of these Articles applicable to paid up shares shall apply to stock and the words "**share**" and "**member**" shall include "**stock**" and "**holder of stock**" respectively.

#### **10.4. Subdivision of stock**

Any ordinary Stock may, by special resolution, be subdivided into preferred and deferred sections, and any preferential rights may be attached to the preferred section over the deferred section.

### **11. GENERAL MEETINGS**

#### **11.1. General meetings**

Any general meeting of the Company other than an annual general meeting shall be called a general meeting. Provisions in these Articles that relate to a general meeting shall also apply to an annual general meeting where applicable.

#### **11.2. Annual general meetings**

#### **11.3. Convening of and participating in general meetings**

- (a) The Board may convene a general meeting whenever it thinks fit.

  - (i) by means of an electronic platform or platforms pursuant to Article 11.4 (but for the avoidance of doubt, the Board shall be under no obligation to offer or provide such platform, whatever the circumstances); and/or
  - (ii) by attendance and participation at one or more physical locations (including at any Satellite Location pursuant to Article [11.5]).
- (c) The Board may make whatever arrangements it considers fit to allow those entitled to do so to attend and participate in any general meeting.
- (d) Unless the notice of meeting says otherwise or the chairman of the meeting decides otherwise, a general meeting shall be treated as taking place where the chairman of the meeting is at the time of the meeting.

- (e) Two or more persons who may not be in the same place as each other attend and participate in a general meeting if they are able to exercise their rights to speak and vote at that meeting. A person is able to exercise the right to speak at a general meeting if that person is in a position to communicate to all those attending the meeting while the meeting is taking place. A person is able to exercise the right to vote at a general meeting if that person can vote on resolutions put to the meeting (or, in relation to a poll, can vote within the required time frame) and that person's vote can be taken into account in deciding whether or not such resolutions are passed at the same time as the votes of others attending the meeting.

#### **11.4. Electronic meetings**

- (a) The Board may decide to enable persons entitled to attend a general meeting to do so by simultaneous attendance on an electronic platform with no persons necessarily in physical attendance together at the meeting. Members or their proxies or duly authorised corporate representatives present shall be counted in the quorum for, and entitled to vote at, the general meeting in question, and that general meeting shall be duly constituted and its proceedings valid if the chairman of the general meeting is satisfied that adequate facilities are available throughout the meeting to ensure that all members and their proxies and duly authorised corporate representatives attending the meeting by whatever means:

- (i) participate in the business for which the general meeting has been convened;
- (ii) hear all persons who speak at the general meeting; and
- (iii) be heard by all other persons present at the general meeting,

but under no circumstances shall the inability of one or more attendees to access, or continue to access, the electronic platform for participation in the meeting despite adequate facilities being made available by the Company affect the validity of the meeting or any business conducted at the meeting.

- (b) If it appears to the chairman of the general meeting that the electronic platform(s), facilities or security at the electronic meeting have become inadequate for the purposes of holding the meeting, then the chairman may, without the consent of the general meeting, interrupt or adjourn the general meeting. All business conducted at the general meeting up to the time of that adjournment shall be valid and the provisions of article 13.6 shall apply to that adjournment. at any general meeting at which persons are entitled to participate by means of an electronic platform, any document is required to be on display or available for inspection at the meeting (whether prior to or for the duration of the meeting or both), the Company shall ensure that the relevant document is available in electronic form to persons entitled to inspect it for at least the required period of time, and this will be deemed to satisfy any such requirement.

(d) deciding whether a person is attending or participating in a meeting other than at a physical location, it is immaterial where that person is or how that person is able to communicate with others who are attending and participating. **General meetings held at more than one physical location**

- (a) A general meeting may be held at more than one physical location if:
- (i) the notice convening the meeting specifies that it shall be held at more than one location; or
  - (ii) the Board resolves, after the notice convening the meeting has been given, that the meeting shall be held at more than one location; or
  - (iii) it appears to the chairman of the meeting that the location of the meeting specified in the notice convening the meeting is inadequate to accommodate all persons entitled and wishing to attend.
- (b) If the Board or the chairman of the meeting decide that a general meeting shall be held at more than one physical location, the Board or the chairman of the meeting shall direct that the meeting shall take place at the location at which the chairman of the meeting shall preside (the “**Principal Place**”) and shall make arrangements, either before or during the meeting, for simultaneous attendance and participation in the meeting by persons (being entitled to do so) attending the meeting at one or more other physical locations (whether within the same premises or not as the Principal Place) (each a “**Satellite Location**”). Such arrangements may include arrangements for controlling or regulating the level of attendance, and the safety and security of attendees, at any of such locations in the manner set out in Article 13.3.
- (c) The members present in person or by proxy or by duly authorised corporate representative at each Satellite Location shall be counted in the quorum for, and entitled to vote at, the general meeting in question, and that general meeting shall be duly constituted and its proceedings valid, if the chairman of the general meeting is satisfied that adequate facilities are available throughout the meeting to ensure that all members, proxies and corporate representatives attending the meeting by whatever means may:
- (i) participate in the business for which the general meeting has been convened;
  - (ii) hear all persons who speak at the general meeting; and
  - (iii) be heard by all other persons present at the general meeting.
- (d) A person (a “**Satellite Chair**”) shall preside at each Satellite Location (if any). Each Satellite Chair shall be appointed by the Board or the chairman of the meeting, or by some person to whom the Board or the chairman of the meeting has delegated the task. Every Satellite Chair may take such action as he or she

thinks necessary to maintain good order at the location where he or she is presiding and every Satellite Chair shall have all powers necessary or desirable for that purpose. Every Satellite Chair shall also carry out all requests made of them by, or on behalf of, the chairman of the meeting in relation to the conduct of the meeting and every Satellite Chair shall have all powers necessary or desirable for that purpose.

- (f) If it appears to the chairman of the general meeting that the facilities at the Principal Place or at any Satellite Location have become inadequate for the purposes of holding the meeting, then the chairman may, without the consent of the general meeting, interrupt or adjourn the general meeting. All business conducted at the general meeting up to the time of that adjournment shall be valid and the provisions of Article 13.6 shall apply to that adjournment.
- (g) Nothing in this Article shall limit or restrict the Board's right to enable persons to simultaneously attend a general meeting on an electronic platform in accordance with these Articles.

The provisions of these Articles relating to general meetings shall apply, with any necessary modifications, to any separate general meeting of the holders of shares of a class convened otherwise than in connection with the variation or abrogation of the rights attached to the shares of that class. For this purpose, a general meeting at which no holder of a share other than an ordinary share may, in his capacity as a member, attend or vote shall also constitute a separate general meeting of the holders of the ordinary shares.

- (a) give to the members entitled to receive notice of the next general meeting of the Company, notice of any resolution which may properly be moved and is intended to be moved at that meeting; and
- (b) circulate to the members entitled to have notice of any general meeting, any statement of not more than one thousand words with respect to the matter referred to in any proposed resolution or the business to be dealt with at that meeting.

## **12. NOTICE OF GENERAL MEETINGS**

### **12.1. Notice**

- (a) An annual general meeting shall be convened by not less than twenty-one clear days' notice in writing. All other general meetings shall be convened by not less than fourteen clear days' notice in writing. The notice shall specify:
  - (i) the place and/or electronic platform, day and time of the meeting;
  - (ii) the general nature of the business to be transacted;
  - (iii) the address of any website where information relating to the meeting is available;
  - (iv) the Record Date; and
  - (v) the procedures on attendance and voting at the meeting.
- (b) Notice of every general meeting shall be given to all members other than any who, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, and also to the Auditors or, if more than one, each of them.

- (c) If the Board determines that a general meeting shall be held (wholly or partly) as an electronic meeting, the notice of the meeting or associated communication shall specify any access, identification, security and other arrangements determined by the Board or shall state where details of such arrangements will be made available by the Company prior to the meeting.
- (d) For the purposes of this article, "**Record Date**" shall mean the date specified by the Board in accordance with the Statutes determining the right to vote at a general meeting.

**12.2. References in this Article to a notice "in writing" includes the use of communications in electronic form and/or publication on a web-site in accordance with the Statutes.Omission or non-receipt of notice**

- (a) To the fullest extent permitted by law, the accidental omission to give any notice of a meeting or the accidental omission to send any document, including a proxy form, relating to any meeting to, or the non-receipt of any such notice or document by, any person entitled to receive the notice or document shall not invalidate the proceedings at that meeting.
- (b) A member present in person or by proxy at a meeting (which shall include by means of an electronic platform and/or at a Satellite Location, if relevant) shall be deemed to have received proper notice of that meeting and, where applicable, of the purpose of that meeting.

**12.3. Postponement of general meetings**

If, after the sending of notice of a general meeting but before the meeting is held (or after the adjournment of a general meeting but before the adjourned meeting is held), the Board, in its absolute discretion, considers that it is impractical, undesirable or unreasonable for any reason to hold the meeting on the date or at the time or place(s) and/or by means of the electronic platform specified in the notice calling the general meeting, the Board may postpone or move the general meeting to another date, time, place(s) and/or change the electronic platform. No new notice of the meeting need be sent, but the Board shall, if practicable, advertise the new date, time, place(s) and/or electronic platform of the rearranged meeting in at least two national newspapers in the United Kingdom and the Board shall take reasonable steps to ensure that any member attempting to attend the meeting at the original time, place(s) and/or electronic platform is informed of the new arrangements. If a meeting is rearranged in this way, the appointment of a proxy will be valid if it is received as required by these Articles not less than 48 hours before the time appointed for holding the rearranged meeting (and in calculating such 48 hour period, the Board may decide not to take account of any part of a day that is not a working day). The Board may also postpone or move the rearranged meeting under this Article.

### **13. PROCEEDINGS AT GENERAL MEETINGS**

#### **13.1. Quorum**

No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business, but the absence of a quorum shall not preclude the choice or appointment of a chairman which shall not be treated as part of the business of the meeting. Save as otherwise provided by these Articles, two qualifying persons entitled to vote upon the business to be transacted, each being a member or a proxy for a member or a duly authorised representative of a corporation which is a member (including for this purpose two qualifying persons who are proxies or corporate representatives of the same member), shall be a quorum.

#### **13.2. Procedure if quorum not present**

If within fifteen minutes (or such longer time not exceeding one hour as the chairman of the meeting may decide to wait) after the time appointed for the commencement of the meeting a quorum is not present, the meeting, if convened by or upon the requisition of members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if that day be a public holiday, to the next working day thereafter), at the same hour, place and/or electronic platform(s) as the original meeting, and if at such adjourned meeting a quorum is not present within fifteen minutes from the time appointed for holding the meeting, the members who are present shall be a quorum and may transact the business for which the meeting was called.

#### **13.3. Accommodation of members, security arrangements and orderly conduct at general meetings**

- (a) The Board or the chairman of the meeting may make such arrangements for the purpose of controlling the level of attendance or ensuring the safety of those attending at any place specified for the holding of a general meeting, ensuring the security of the meeting and ensuring the orderly conduct of the meeting, as the Board or the chairman shall in its or their absolute discretion consider to be appropriate, and may from time to time vary any such arrangements or make new arrangements. Any decision made under this article shall be final and the entitlement of any member or proxy or duly authorised corporate representative to attend a general meeting shall be subject to any such arrangements as may be for the time being approved by the Board or the chairman of the meeting.
- (b) The Board or the chairman of the meeting may direct that persons wishing to attend any general meeting should submit to such searches or other security or access arrangements and/or other restrictions as the Board or the chairman shall consider appropriate in the circumstances and shall be entitled in its or their absolute discretion to, or to authorise some one or more persons who shall include a director or the secretary or the chairman of the meeting to, refuse (physical or electronic) entry to, or to eject (physically or electronically) from, such general meeting any person who refuses or fails to submit to such searches

or otherwise to comply with any such security or access arrangements or other restrictions.

- (c) In relation to an electronic meeting, the Board or the chairman of the meeting may make any arrangements and impose any requirements or restrictions as the Board or the chairman shall consider appropriate to ensure the identification of those accessing or participating in the meeting, the security of the electronic platform and any electronic communications and the orderly conduct of the meeting. In this respect, the Board may authorise the use of or require any voting application, system or facility for electronic meetings as it considers appropriate.
- (d) The chairman of the general meeting shall take such action or give directions for such action to be taken as he thinks fit to promote the orderly conduct of the business of the meeting as laid down in the notice of the meeting. The chairman's decision on points of order, matters of procedure or matters arising incidentally from the business of the meeting shall be final as shall be his determination as to whether any point or matter is of such a nature.

#### **13.4. Chairman of general meeting**

The chairman (if any) of the Board or, in his absence, the deputy chairman (if any) shall preside as chairman at every general meeting. If more than one deputy chairman is present they shall agree amongst themselves who is to take the chair or, if they cannot agree, the deputy chairman who has been in office as a director longest shall take the chair. If there is no chairman or deputy chairman, or if at any meeting neither the chairman nor any deputy chairman is present within five minutes after the time appointed for the commencement of the meeting, or if neither the chairman nor any deputy chairman is willing to act as chairman, the directors present shall choose one of their number to act, or if one director only is present he shall preside as chairman if willing to act. If no director is present, or if each of the directors present declines to take the chair, the persons present and entitled to vote shall appoint one of their number to be chairman.

#### **13.5. Entitlement to attend, speak and participate**

- (a) Each director shall be entitled to attend and speak at any general meeting and at any separate general meeting of the Company. The chairman may invite any person to attend and speak at any general meeting of the Company where he considers that this will assist in the deliberations of the meeting.
- (b) All persons seeking to attend and participate in a general meeting by way of an electronic platform shall be responsible for maintaining adequate facilities to enable them to do so. Subject to the right of the chairman to adjourn a general meeting under these Articles, any inability of a person to attend or participate in a general meeting by means of an electronic platform shall not invalidate the proceedings of that meeting.

### **13.6. Adjournments**

The chairman of the general meeting may at any time without the consent of the meeting adjourn any general meeting (whether or not it has commenced or a quorum is present) either indefinitely or to another time, place and/or electronic platform where it appears to him that (a) the members proxies, and corporate representatives wishing to attend cannot be conveniently accommodated in the place and/or on the electronic platform appointed for the meeting (b) the facilities or security at the place of the meeting or of the electronic platform provided for the meeting have become inadequate, compromised or are otherwise not sufficient or able to allow the meeting to be conducted as intended (c) the conduct of persons present prevents or is likely to prevent the orderly continuation of business (d) the health, safety or wellbeing of those entitled to attend may be put at risk by their attendance at the meeting or (e) an adjournment is otherwise necessary so that the business of the meeting may be properly conducted. In addition, the chairman may at any time with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting either indefinitely or to another time, place and/or electronic platform. When a meeting is adjourned indefinitely the time, place and/or electronic platform for the adjourned meeting shall be fixed by the Board. No business shall be transacted at any adjourned meeting except business which might properly have been transacted at the meeting had the adjournment not taken place.

### **13.7. Notice of adjournment**

When a meeting is adjourned for three months or more, or indefinitely, notice of the adjourned meeting shall be given as in the case of the original meeting. If a meeting is adjourned to more than one place or if a meeting which was originally specified as a physical meeting only in the notice is adjourned to an electronic meeting, notice of the adjourned meeting shall be given notwithstanding any other provision of these Articles. Except where these Articles otherwise require, it shall not be necessary to give any notice of an adjourned meeting or of the business to be transacted at an adjourned meeting.

## **14. AMENDMENTS**

### **14.1. Amendments to resolutions**

In the case of a resolution duly proposed as a special resolution no amendment thereto (other than an amendment to correct a patent error) may be considered or voted upon; in the case of a resolution duly proposed as an ordinary resolution no amendment thereto (other than an amendment to correct a patent error) may be considered or voted upon unless either at least forty-eight hours prior to the time appointed for holding the meeting or adjourned meeting at which such ordinary resolution is to be proposed notice in writing of the terms of the amendment and intention to move the same has been lodged at the Office or the chairman in his absolute discretion decides that it may be considered or voted upon.

#### **14.2. Amendments ruled out of order**

If an amendment shall be proposed to any resolution under consideration but shall be ruled out of order by the chairman of the meeting the proceedings on the substantive resolution shall not be invalidated by any error in such ruling.

### **15. VOTING**

#### **15.1. Suspension of rights**

The following provisions of these Articles in relation to voting by members whether in person or by proxy shall be subject, when appropriate, to Article 2.15.

#### **15.2. Votes of members**

Subject to any special terms as to voting upon which any shares may be issued or may for the time being be held and to any other provisions of these Articles or the Statutes, on a show of hands every member who is present in person or by proxy at a general meeting of the Company and every corporate representative who is present in person at a general meeting of the Company shall have one vote. On a poll every member who is present in person or by proxy shall have one vote for every share of which he is the holder.

#### **15.3. Method of voting**

A resolution put to the vote at an electronic meeting shall be decided on a poll. Subject thereto, at any general meeting a resolution put to the vote at the meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is properly demanded. Subject to the Statutes, a poll may be demanded by:

- (a) the chairman of the meeting; or
- (b) at least two members present in person or by proxy or corporate representative present in person and entitled to vote; or
- (c) any member or members present in person or by proxy or corporate representative present in person and representing in the aggregate not less than one-tenth of the total voting rights (excluding any voting rights attached to any shares in the Company held in treasury) of all the members having the right to attend and vote at the meeting; or
- (d) any member or members present in person or by proxy or corporate representatives present in person and holding shares or being a representative in respect of a holder of shares conferring a right to attend and vote at the meeting on which there have been paid up sums in the aggregate equal to not less than one-tenth of the total sums paid up on all the shares conferring that right.

Unless a poll is so demanded on a show of hands and the demand is not withdrawn, a declaration by the chairman that a resolution on a show of hands has been carried or

carried unanimously or by a particular majority or not carried by a particular majority or lost shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded for or against the resolution.

**15.4. Procedure if poll demanded**

If a poll is properly demanded it shall be taken in such manner as the chairman shall direct. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The chairman may (and, if so directed by the meeting, shall) appoint scrutineers and may adjourn the meeting to some place and/or electronic platform and time fixed by him for the purpose of declaring the result of the poll.

**15.5. When poll to be taken**

A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or on such date (being not later than thirty days after the date of the demand) and at such time and place and/or electronic platform as the chairman shall direct. It shall not be necessary (unless the chairman otherwise directs) for notice to be given of a poll.

**15.6. Continuance of other business after poll demand**

The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded, and it may be withdrawn, with the consent of the chairman, at any time before the close of the meeting or the taking of the poll, whichever is the earlier, and in that event shall not invalidate the result of a show of hands declared before the demand was made.

**15.7. Votes on a poll**

On a poll votes may be given either personally or by proxy. A member may appoint more than one proxy to attend, speak and vote on his behalf on the same occasion, provided the proxies are appointed in respect of separate shares.

**15.8. Votes of joint holders**

In the case of joint holders of a share the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding.

**15.9. Voting on behalf of incapable member**

A member in respect of whom an order has been made by any competent court or other suitably qualified person that he is or may be suffering from mental disorder or is otherwise incapable of managing his affairs may vote at any general meeting of the Company or at any separate general meeting of the holders of any class of shares in the Company and may exercise any other right conferred by membership in relation to general meetings by

or through any person authorised in such circumstances to do so on his behalf (and that person may vote on a poll by proxy), provided that evidence to the satisfaction of the Board of the authority of the person claiming to exercise the right to vote or such other right has been delivered at the Office (or at such other place as may be specified in accordance with these Articles for the delivery of instruments appointing a proxy) not later than the last time at which an instrument of proxy should have been delivered in order to be valid for use at that meeting or on the holding of that poll.

**15.10. No right to vote where sums overdue on shares**

No member shall, unless the Board otherwise decides, be entitled in respect of any share held by him to vote (either personally or by proxy) at any general meeting of the Company or at any separate general meeting of the holders of any class of shares in the Company or to exercise any other right conferred by membership in relation to general meetings unless all calls or other sums presently payable by him in respect of that share have been paid.

**15.11. Objections or errors in voting**

If:

- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted,

the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless it is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be conclusive.

**16. PROXIES**

**16.1. Execution of proxies**

An instrument appointing a proxy shall be in writing signed by the appointer or his attorney duly authorised in writing or, if the appointer is a corporation, either under its seal or signed by an officer, attorney or other person authorised to sign it.

In this Article, references to "in writing" include the use of signed communications in electronic form subject to such terms and conditions (including as to signatures) as the Board may from time to time prescribe.

## 16.2. Delivery of proxies

- (a) The appointment of a proxy, and any authority under which it is signed or a copy of such authority certified notarily or in some other way approved by the Board, shall, subject to Article 16.2(b):
- (i) in the case of an instrument in writing, be deposited at the Office, or at such other place (if any) within the United Kingdom as is specified for that purpose in or by way of note to the notice convening the meeting; or
  - (ii) in the case of an appointment contained in electronic form, where an address has been specified for the purpose of receiving communications in electronic form:
    - (A) in the notice convening the meeting; or
    - (B) in any proxy form sent out by the Company in relation to the meeting; or
    - (C) in any invitation in electronic form issued by the Company to appoint a proxy in relation to the meeting,be received at such address and by such time as is specified in or by way of note to the notice convening the meeting.
- (b) The time specified pursuant to Article 16.2(a) for the deposit and/or receipt of a proxy in respect of a meeting or adjourned meeting or the vote by poll:
- (i) in the case of a meeting, or adjourned meeting, cannot be more than 48 hours (excluding non-working days) prior to the time for holding the meeting or adjourned meeting at which it is proposed that the proxy appointed by the member will vote; or
  - (ii) in the case of a poll taken more than 48 hours after it is demanded cannot be more than 24 hours (excluding non-working days) before the time appointed for the taking of the poll or, as the case may be, the time fixed for holding the adjourned meeting; or
  - (iii) in the case of a poll taken 48 hours or less after it is demanded, or in the case of an adjourned meeting to be held 48 hours or less after the time fixed for holding the original meeting, shall be the time of commencement of the meeting or adjourned meeting at which the poll is demanded or, as the case may be, at the original meeting, with delivery being made pursuant to Article 16.2(a) or to the chairman or to the secretary or to any director or as directed at the meeting by the chairman.

For the purposes of this Article 16.2 "**non-working days**" means weekends, Christmas Day, Good Friday and any other bank holiday in Scotland.

- (c) Failure to deposit, receive or deliver the appointment of a proxy in accordance with the requirements set out above shall entitle the Company to treat such instrument as being invalid save that the directors may, in their absolute discretion, treat such an instrument as valid notwithstanding any default in complying with the requirements set out above.
- (d) Nothing in this Article shall prejudice the continuing authority of a validly appointed proxy to attend, speak and vote on any resolution demanded at a meeting in respect of which he is validly appointed whenever taken or to attend, speak and vote at an adjourned meeting (whose business has been adjourned from a meeting in respect of which he has been validly appointed) whenever held. When two or more valid but differing appointments of proxy are delivered in respect of the same share for use at the same meeting, the one which is last delivered or received (regardless of its date or the date of its signature) shall be treated as replacing and revoking the others as regards that share. If the Company is unable to determine which was last delivered or received, none of them shall be treated as valid in respect of that share. Delivery of an instrument appointing a proxy shall not preclude a member from attending and voting in person at the meeting or poll concerned.

### **16.3. Maximum validity of proxy**

No appointment of a proxy shall be valid after twelve months have elapsed from the date stated in it as the date of its signature save that, unless the contrary is stated in it, an appointment of a proxy shall be valid for use at an adjourned meeting or on a poll after a meeting or an adjourned meeting even after twelve months, if it was valid for the original meeting.

### **16.4. Form of proxy**

- (a) Appointments of proxy shall be in any usual form (including, without limitation, in electronic form) or in such other form as the Board may approve and the Board may, if it thinks fit, but subject to the provisions of the Statutes, send out with the notice of any meeting forms of proxy for use at the meeting. The appointment of proxy shall be deemed to confer authority to demand or join in demanding a poll and to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The appointment of proxy shall, unless the contrary is stated in it, be valid as well for any adjournment of the meeting as for the meeting to which it relates.
- (b) For the purposes of paragraphs (b) and (c) above, the Board may require such reasonable evidence as it considers necessary to determine:
  - (i) the identity of the member and the proxy; and

- (ii) where the proxy is appointed by a person acting on behalf of the member, the authority of that person to make the appointment.
- (c) Without limiting the foregoing, in relation to any shares which are held in uncertificated form, the Board may from time to time permit appointments of proxy to be made in electronic form in the form of an uncertificated proxy instruction (that is, a properly authenticated dematerialised instruction, and/or other instruction or notification, which is sent by means of the relevant system concerned and received by such participant in that system acting on behalf of the Company as the Board may prescribe, in such form and subject to such terms and conditions as may from time to time be prescribed by the Board (subject always to the facilities and requirements of the relevant system concerned)); and may in a similar manner permit supplements to, or amendments or revocations of, any such uncertificated proxy instruction to be made by like means. The Board may in addition prescribe the method of determining the time at which any such properly authenticated dematerialised instruction (and/or other instruction or notification) is to be treated as received by the Company or such participant. The Board may treat any such uncertificated proxy instruction which purports to be or is expressed to be sent on behalf of a member as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that member.

#### **16.5. Cancellation of proxy's authority**

A vote given or poll demanded by a proxy or by the duly authorised representative of a corporation shall be valid notwithstanding the previous determination of the authority of the person voting or demanding a poll, or the previous death or insanity of the principal, unless notice in writing of the determination, death or insanity was received by the Company:

- (a) in the case of an instrument in writing at the Office (or such other place in the United Kingdom as was specified for the delivery of instruments of proxy in the notice convening the meeting or other accompanying document); or
- (b) in the case of a communication in electronic form to such address specified for the purpose of the meeting, proxy form or in any communication in electronic form issued by the Company inviting shareholders to appoint a proxy,

not later than the last time at which an instrument of proxy should have been delivered in order to be valid for use at the meeting or on the holding of the poll at which the vote was given or the poll demanded.

### **17. CORPORATIONS ACTING BY REPRESENTATIVES**

#### **17.1. Representatives of corporations**

Any corporation (other than the Company itself) which is a member of the Company may by resolution of its board of directors or other governing body authorise such person or persons as it thinks fit to act as its representative or representatives at any meeting of the

Company or at any separate meeting of the holders of any class of shares and, subject to the terms of the Statutes, the corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting at which a person or persons so authorised is present.

**18. APPOINTMENT, RETIREMENT AND REMOVAL OF DIRECTORS**

**18.1. Number of directors**

Subject to the following provisions of these Articles, and unless otherwise determined by ordinary resolution of the Company, the number of directors (disregarding alternate directors) shall not be less than two nor more than seven.

**18.2. Directors' shareholding qualification**

A director shall not be required to hold a share qualification but a director who is not a member of the Company shall nevertheless be entitled to receive notice of and to attend and speak at all general meetings of the Company and all separate meetings of the holders of any class of shares of the Company.

**18.3. Power of the Company to appoint directors**

Subject to the provisions of these Articles, the Company may by ordinary resolution appoint any person who is willing to act to be a director, either to fill a vacancy or as an addition to the existing Board, but so that the total number of directors shall not at any time exceed any maximum number fixed by or in accordance with these Articles.

**18.4. Power of the Board to appoint directors**

Without prejudice to the power of the Company in general meeting pursuant to any of the provisions of these Articles to appoint any person to be a director, the Board may appoint any person who is willing to act to be a director, either to fill a vacancy or as an addition to the existing Board, but so that the total number of directors shall not at any time exceed any maximum number fixed by or in accordance with these Articles. Any director so appointed shall hold office only until the next annual general meeting and shall then be eligible for election.

**18.5. Periodic retirement**

Each director shall retire from office at the third annual general meeting after the annual general meeting at which he was last elected until the ninth anniversary of his appointment and annually thereafter.

**18.6. Procedure if insufficient directors appointed**

(a) If:

(i) at the annual general meeting in any year any resolution or resolutions for the appointment or re-appointment of persons eligible for

appointment or re-appointment as directors are put to the meeting and lost (such person(s) who are not so appointed or re-appointed being "**Retiring Directors**"); and

- (ii) at the end of that meeting the number of directors is fewer than any minimum number of directors required under these Articles,

all Retiring Directors shall be deemed to have been re-appointed as directors and shall remain in office but the Retiring Directors may only act for the purpose of filling vacancies, convening general meetings of the Company and performing such duties as are essential to maintain the Company as a going concern, and not for any other purpose.

- (b) The Board shall convene a general meeting as soon as reasonably practicable following the meeting referred to in article 19.6(a) and the Retiring Directors shall retire from office at that meeting. If at the end of any meeting convened under this article the number of directors is fewer than any minimum number of directors required under these Articles the provisions of this article shall also apply to that meeting.

#### **18.7. Filling vacancies**

Subject to the provisions of these Articles, at the meeting at which a director retires the Company can pass an ordinary resolution to re-elect the director or to elect some other eligible person in his place.

#### **18.8. Power of removal by special resolution**

In addition to any power of removal conferred by the Statutes, the Company may by special resolution remove any director before the expiration of his period of office and may (subject to these Articles) by ordinary resolution appoint another person who is willing to act to be a director in his place.

#### **18.9. Persons eligible as directors**

No person other than a director retiring at the meeting or a person recommended by the Board shall be appointed or re-appointed as a director at any general meeting unless not less than seven nor more than forty two days before the day appointed for the meeting, a notice signed by a member entitled to vote at the meeting (not being the person to be proposed) has been given to the secretary of the intention to propose that person for appointment or re-appointment together with a notice signed by that person of his willingness to be appointed or re-appointed.

#### **18.10. Position of retiring directors**

A director who retires (whether as a periodic retirement or otherwise) at an annual general meeting may, if willing to continue to act, be re-appointed. If he is not re-appointed, he

shall retain office until the meeting appoints someone in his place or, if it does not do so, until the end of the meeting.

**18.11. Vacation of office by directors**

Without prejudice to the provisions for periodic retirement or otherwise contained in these Articles, the office of a director shall be vacated if:

- (a) he resigns his office by notice in writing delivered to the Office or tendered at a meeting of the Board; or
- (b) by notice in writing delivered to the Office or tendered at a meeting of the Board he offers to resign and the Board resolves to accept such offer; or
- (c) by notice in writing delivered to the Office or tendered at a meeting of the Board, his resignation is requested by all of the other directors and all of the other directors are not less than three in number; or
- (d) he is or has been suffering from mental ill health or becomes a patient for any purpose of any statute relating to mental health and the Board resolves that his office is vacated; or
- (e) he is absent without the permission of the Board from meetings of the Board (whether or not an alternate director appointed by him attends) for six consecutive months and the Board resolves that his office is vacated; or
- (f) he becomes bankrupt or compounds with his creditors generally; or
- (g) he is prohibited by law from being a director; or
- (h) he ceases to be a director by virtue of the Statutes or is removed from office pursuant to these Articles.

If a director vacates his office for any reason, he shall cease to be a member of any committee or sub-committee of the Board.

In this Article, references to "in writing" includes the use of communications in electronic form subject to such terms and conditions as the Board may decide.

**18.12. Alternate directors**

- (a) Each director may appoint any person to be his alternate and may at his discretion remove an alternate director so appointed. If the alternate director is not already a director, the appointment, unless previously approved by the Board, shall have effect only upon and subject to its being so approved. Any appointment or removal of an alternate director shall be effected by notice in writing signed by the appointer and delivered to the Office or tendered at a meeting of the Board, or in any other manner approved by the Board. An alternate director shall be entitled to receive notice of all meetings of the Board or

of committees of the Board of which his appointer is a member. He shall also be entitled to attend and vote as a director at any such meeting at which the director appointing him is not personally present and at such meeting to exercise and discharge all the functions, powers, rights and duties of his appointer as a director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he were a director.

- (b) Every person acting as an alternate director shall (except as regards power to appoint an alternate and remuneration) be subject in all respects to the provisions of these Articles relating to directors and shall during his appointment be an officer of the Company. An alternate director shall alone be responsible to the Company for his acts and defaults and shall not be deemed to be the agent of or for the director appointing him. An alternate director may be paid expenses and shall be entitled to be indemnified by the Company to the same extent as if he were a director. An alternate director shall not be entitled to receive from the Company any fee in his capacity as an alternate director but the Company shall, if so requested in writing by the appointer, pay to the alternate director any part of the fees or remuneration otherwise due to the appointer.
- (c) A director or any other person may act as an alternate director to represent more than one director. Every person acting as an alternate director shall have one vote for each director for whom he acts as alternate, in addition to his own vote if he is also a director but he shall count as only one for the purposes of determining whether a quorum is present. Signature by an alternate director of any resolution in writing of the Board or a committee of the Board shall, unless the notice of his appointment provides to the contrary, be as effective as signature by his appointer.
- (d) An alternate director shall automatically cease to be an alternate director if his appointer ceases for any reason to be a director except that, if at any meeting any director retires but is re-appointed or deemed to be re-appointed at the same meeting, any appointment made by him pursuant to this Article which was in force immediately before his retirement shall remain in force as though he had not retired.
- (e) In this Article, references to "in writing" include the use of communications in electronic form subject to such terms and conditions as the Board may decide.

### **18.13. Executive directors**

The Board or any committee authorised by the Board may from time to time appoint one or more directors to hold any employment or executive office with the Company for such period (subject to the provisions of the Statutes) and upon such other terms as the Board or any committee authorised by the Board may in its discretion decide and may revoke or terminate any appointment so made. Any revocation or termination of the appointment shall be without prejudice to any claim for damages that the director may have against the Company or the Company may have against the director for any breach of any contract of

service between him and the Company which may be involved in the revocation or termination. A director so appointed shall receive such remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board or any committee authorised by the Board may decide, and either in addition to or in lieu of his remuneration as a director.

## **19. FEES, REMUNERATION, EXPENSES AND PENSIONS**

### **19.1. Directors' fees**

The directors shall be paid, out of the funds of the Company by way of fees for their services as directors, such sums (if any) as the Board may from time to time determine (not exceeding in the aggregate £200,000 per annum or such larger amount as the Company may by ordinary resolution determine) and such remuneration shall be divided between the directors as the Board shall agree or, failing agreement, equally. Such remuneration shall be deemed to accrue from day to day. The provisions of this Article shall not apply to the remuneration of any director who is appointed to any executive office (whether part time or full time) which remuneration shall be established pursuant to the provisions of Article 18.13.

### **19.2. Additional remuneration**

Any director who is appointed to any executive office or who performs services which in the opinion of the Board or any committee authorised by the Board go beyond the ordinary duties of a director may be paid such extra remuneration (whether by way of salary, commission, participation in profits or otherwise) as the Board or any committee authorised by the Board may in its discretion decide in addition to any remuneration provided for by or pursuant to any other Article.

### **19.3. Expenses**

Each director may be paid his reasonable travelling, hotel and incidental expenses of attending and returning from meetings of the Board or committees of the Board or general meetings of the Company or any other meeting which as a director he is entitled to attend and shall be paid all other costs and expenses properly and reasonably incurred by him in the conduct of the Company's business or in the discharge of his duties as a director.

### **19.4. Pensions and allowances**

The Board may (by the establishment of, or maintenance of, schemes or otherwise) pay and agree to pay pensions or other retirement, superannuation, death or disability benefits or allowances to any person in respect of any Director or former Director, officer or former officer of the Company who may hold or may have held any executive office or employment under the Company or any subsidiary of the Company or its holding company (if any) and for the purpose of providing any such pensions or other benefits or allowances may contribute to any scheme or fund and may make payments towards insurances or trusts in respect of such persons.

## **20. DIRECTORS' INTERESTS**

### **20.1. Permitted interests and voting**

Paragraphs (a) to (h) of this Article are subject to the provisions of the Statutes and to the provisions of paragraphs (j) to (p).

- (a) No director or proposed or intending director shall be disqualified by his office from contracting with the Company, either with regard to his tenure of any office or place of profit or as vendor, purchaser or in any other manner whatever, nor shall any contract in which any director is in any way interested be liable to be avoided, nor shall any director who is so interested be liable to account to the Company or the members for any remuneration, profit or other benefit realised by the contract by reason of the director holding that office or of the fiduciary relationship thereby established.
- (b) A director may hold any other office or place of profit with the Company (except that of Auditor) in conjunction with his office of director for such period (subject to the provisions of the Statutes) and upon such other terms as the Board may decide, and may be paid such extra remuneration for so doing (whether by way of salary, commission, participation in profits or otherwise) as the Board or any committee authorised by the Board may decide, and either in addition to or in lieu of any remuneration provided for by or pursuant to any other Article.
- (c) A director may be or become a director or other officer of, or otherwise interested in, any company promoted by the Company or in which the Company may be interested or as regards which it has any power of appointment, and shall not be liable to account to the Company or the members for any remuneration, profit or other benefit received by him as a director or officer of or from his interest in the other company. The Board may also cause any voting power conferred by the shares in any other company held or owned by the Company or any power of appointment to be exercised in such manner in all respects as it thinks fit, including the exercise of the voting power or power of appointment in favour of the appointment of the directors or any of them as directors or officers of the other company, or in favour of the payment of remuneration to the directors or officers of the other company.
- (d) A director may act by himself or his firm in a professional capacity (otherwise than as Auditor) and he or his firm shall be entitled to remuneration for professional services as if he were not a director.
- (e) A director shall not vote on or be counted in the quorum in relation to any resolution of the Board concerning his own appointment, or the settlement or variation of the terms or the termination of his own appointment, as the holder of any office or place of profit with the Company or any other company in which the Company is interested but, where proposals are under consideration concerning the appointment, or the settlement or variation of the terms or the termination of

the appointment, of two or more directors to offices or places of profit with the Company or any other company in which the Company is interested, a separate resolution may be put in relation to each director and in that case each of the directors concerned shall be entitled to vote and be counted in the quorum in respect of each resolution unless it concerns his own appointment or the settlement or variation of the terms or the termination of his own appointment or the appointment of another director to an office or place of profit with a company in which the Company is interested and the director seeking to vote or be counted in the quorum owns one per cent. or more of it.

- (f) Save as otherwise provided by these Articles, a director shall not vote on, or be counted in the quorum in relation to, any resolution of the Board in respect of any actual or proposed transaction or arrangement with the Company in which he has an interest which (taken together with any interest of any person connected with him) is to his knowledge an interest of which he is aware, or ought reasonably to be aware, does conflict, or can reasonably be regarded as likely to give rise to a conflict, with the interests of the Company and, if he shall do so, his vote shall not be counted, but this prohibition shall not apply to any resolution where that interest arises only from one or more of the following matters:
- (i) the giving to him of any guarantee, indemnity or security in respect of money lent or obligations undertaken by him or by any other person at the request of or for the benefit of the Company or any of its subsidiary undertakings;
  - (ii) the giving to a third party of any guarantee, indemnity or security in respect of a debt or obligation of the Company or any of its subsidiary undertakings for which he himself has assumed responsibility in whole or in part under a guarantee or indemnity or by the giving of security;
  - (iii) where the Company or any of its subsidiary undertakings is offering securities in which offer the director is or may be entitled to participate as a holder of securities or in the underwriting or sub-underwriting of which the director is to participate;
  - (iv) any contract in which he is interested by virtue of his interest in shares or debentures or other securities of the Company or by reason of any other interest in or through the Company;
  - (v) any contract concerning any other company (not being a company in which the director owns one per cent. or more) in which he is interested directly or indirectly whether as an officer, shareholder, creditor or otherwise howsoever;
  - (vi) any contract concerning the adoption, modification or operation of a pension fund or retirement, death or disability benefits scheme which relates both to directors and employees of the Company or of any of its

subsidiary undertakings and does not provide in respect of any director as such any privilege or advantage not accorded to the employees to which the fund or scheme relates;

- (vii) any contract for the benefit of the employees of the Company or of any of its subsidiary undertakings under which he benefits in a similar manner to the employees and which does not accord to any director as such any privilege or advantage not accorded to the employees to whom the contract relates; and
  - (viii) any contract for the purchase or maintenance of insurance against any liability for, or for the benefit of, any director or directors or for, or for the benefit of, persons who include directors.
- (g) A company shall be deemed to be a company in which a director owns one per cent. or more if and so long as (but only if and so long as) he, taken together with any person connected with him, is to his knowledge (either directly or indirectly) the holder of or beneficially interested in one per cent. or more of any class of the equity share capital of that company or of the voting rights available to members of that company. For the purpose of this paragraph of this Article there shall be disregarded any shares held by the director or any such person as bare or custodian trustee and in which he has no beneficial interest, any shares comprised in a trust in which his, or any such person's, interest is in reversion or remainder if and so long as some other person is entitled to receive the income of the trust and any shares comprised in an authorised unit trust scheme in which he, or any such person, is interested only as a unit holder.
- (h) Where a company in which a director owns one per cent. or more is interested in a contract, he also shall be deemed to be interested in that contract.
- (i) If any question shall arise at any meeting of the Board as to whether the interest of a director gives rise to a conflict, or could reasonably be regarded as likely to give rise to a conflict, with the interests of the Company or as to the entitlement of any director to vote or be counted in the quorum and the question is not resolved by his voluntarily agreeing to abstain from voting or not to be counted in the quorum, the question shall be decided by a resolution of the Board (for which purpose the director in question shall not be counted in the quorum and provided that the resolution was agreed to without the director in question voting or would have been agreed if their votes had not been counted) and the resolution shall be conclusive except in a case where the nature or extent of the interest of the director (so far as it is known to him) has not been fairly disclosed to the Board.
- (j) A director who is in any way, whether directly or indirectly, interested in a actual or proposed transaction or arrangement with the Company shall declare the nature and extent of his interest at the meeting of the Board at which the question of entering into the contract is first taken into consideration, if he knows his interest then exists, or in any other case at the first meeting of the Board after he

knows that he is or has become so interested. For the purposes of this Article, a general notice to the Board by a director to the effect that (a) he is a member of a specified company or firm and is to be regarded as interested in any contract which may after the date of the notice be made with that company or firm or (b) he is to be regarded as interested in any contract which may after the date of the notice be made with a specified person who is connected with him, shall be deemed to be a sufficient declaration of interest under this Article in relation to any such contract; provided that no such notice shall be effective unless either it is given at a meeting of the Board or the director takes reasonable steps to secure that it is brought up and read at the next Board meeting after it is given.

- (k) References in this Article to a contract include references to any proposed contract and to any transaction or arrangement whether or not constituting a contract.
- (l) In respect of any situation in which a director has, or can have, a direct or indirect interest that conflicts, or possibly may conflict, with the interests of the Company, the Board may authorise the matter, on such terms as they may determine, provided that:
  - (i) the director has declared the full nature and extent of the situation to the Board; and
  - (ii) it is proposed (either by the director in question or another) that the Board authorise the matter and upon the resolution to do so the requirement for the quorum is met without counting the director in question and the resolution was agreed to without such director voting or would have been agreed to if that conflicted director's vote had not been counted.
- (m) Any terms determined by the Board under paragraph (l) of this Article may be imposed at the time of authorisation or may be imposed subsequently and may include (without limitation):
  - (i) the exclusion of the interested director in question from all information and discussion by the Company of the situation in question; and
  - (ii) (without prejudice to the general obligations of confidentiality) the application to the interested director of a strict duty of confidentiality to the Company for any confidential information of the Company in relation to the situation in question.
- (n) An interested director under this Article must act in accordance with any terms determined by the Board pursuant to paragraphs (l) or (m) of this Article.
- (o) Any authorisation given by the Board under paragraph (l) of this Article may provide that, where the interested director obtains (other than through his position as a director of the Company) information that is confidential to a third party, he

will not be obliged to disclose it to the Company or to use it in relation to the Company's affairs in circumstances where to do so would amount to a breach of that confidence.

- (p) Subject to the provisions of the Statutes, the Company may by ordinary resolution suspend or relax the provisions of this Article to any extent or ratify any contract not properly authorised by reason of a contravention of this Article provided that nothing in this Article shall permit the Company to cease to comply with the Listing Rules of the FCA.

## **21. POWERS AND DUTIES OF THE BOARD**

### **21.1. General powers of the Company vested in the Board**

Subject to the provisions of the Statutes, the memorandum of association of the Company and these Articles and to any directions given by the Company in general meeting by special resolution, the business of the Company shall be managed by the Board which may exercise all the powers of the Company whether relating to the management of the business of the Company or not. No alteration of the memorandum of association or these Articles and no special resolution shall invalidate any prior act of the Board which would have been valid if that alteration had not been made or that resolution had not been passed. The powers given by this Article shall not be limited by any special power given to the Board by any other Article.

### **21.2. Directors may exercise all borrowing powers of the Company**

- (a) Subject as hereinafter provided the Board may exercise all the powers of the Company to borrow money and to mortgage or charge its undertaking, property and uncalled capital, or any part thereof, and, subject to the provisions of the Statutes and these Articles, to issue debentures, debenture stock and other securities, whether outright or as security for any debt, liability or obligation of the Company or of any third party.
- (b) The Board shall restrict the borrowings of the Company and exercise all voting and other rights or powers of control exercisable by the Company in relation to its subsidiaries (if any) so as to secure (so far, as regards subsidiaries, as by such exercise it can secure) that the aggregate amount for the time being remaining undischarged of all moneys borrowed by the Group (which expression in this Article means and includes the Company and its subsidiaries for the time being and the phrase "company in the Group" shall be construed accordingly) exclusive of borrowings by one member of the Group from another, together with any fixed or minimum premium payable on final redemption or repayment thereof (or, in the case of an index-linked stock or other index-linked obligation, the highest amount that would be repayable thereon under the provisions of the instrument constituting or regulating such stock or obligation if such stock or obligation were to be redeemed on the date on which the calculation falls to be made) after deducting the amount of cash deposited shall not at the time of borrowing,

without the previous sanction of an ordinary resolution of the Company in general meeting, exceed:

- (i) from the date of adoption of these Articles by the Company to the date of publication of the first Balance sheet the sum of £20,000,000; and
  - (ii) thereafter, a sum equal to the Adjusted Total of Capital and Reserves.
- (c) For the purpose of this Article, "**Balance Sheet**" means the published audited balance sheet of the Company unless, as at the date to which audited accounts incorporating such balance sheet are made up, the Company shall have a subsidiary or subsidiaries, in which event "**Balance Sheet**" means the published audited consolidated balance sheet of the Groups as at the that date (provided that, if at that date, the Company has a subsidiary or subsidiaries and an audited consolidated balance sheet of the Group has not been prepared as at that date and published, "**Balance Sheet**" shall mean an audited consolidated balance sheet of the Group prepared by the Company as at such date and reported on by the Auditors as having been properly prepared and the date of publication of such consolidated balance sheet shall be taken to be the date of such report by the Auditors), and references in Article 21.2(d) to reserves and revenue account shall be deemed to be references to consolidate reserves and consolidated revenue account respectively as disclosed by such consolidated balance sheet.
- (d) For the purposes of this Article, "the Adjusted Total of Capital and Reserves" means the aggregate of:
- (i) the amount paid up on the share capital of the Company; and
  - (ii) the amount standing to the credit of the capital and revenue reserves (including, without prejudice to the generality of the foregoing, any share premium account, capital reserve, capital redemption reserve, revaluation or other reserve and any balance on the revenue account),

all as shown in the latest Balance Sheet but:

- (iii) adjusted in respect of any variation in the paid up share capital, share premium account or capital redemption reserve since the date to which that Balance Sheet was made up;
- (iv) excluding any amounts set aside for taxation and any amounts attributable to minority or outside shareholders in subsidiaries;
- (v) deducting any debit balance on the revenue account or other reserve account at the date to which that Balance Sheet was made up; and
- (vi) deducting the gross amount of any distributions (other than distributions made out of profits earned since the date to which that Balance Sheet is

made up and distributions to another company in the Group) in cash or specie made since that date and not provided for in that Balance Sheet.

- (e) For the purposes of the foregoing limit "moneys borrowed" shall be deemed to include but shall not be restricted to:
- (i) the principal amount for the time being outstanding of any debentures (as defined in section 738 of the 2006 Act) together with any fixed or minimum premium payable on final redemption or repayment thereof (or, in the case of an index-linked stock or other index-linked obligation, the highest amount that would be repayable thereon under the provisions of the instrument constituting or regulating such stock or obligation if such stock or obligation were to be redeemed on the date on which the calculation falls to be made) notwithstanding that the same be issued in whole or in part for a consideration other than cash; and
  - (ii) the nominal amount of any issued share capital of any corporate body and the principal amount of any moneys borrowed, the redemption or repayment whereof is guaranteed or secured or the subject of an indemnity by the Company or any of its subsidiaries, together in either case with any fixed or minimum premium payable on final redemption or repayment (or, in the case of an index-linked stock or other index-linked obligation, the highest amount that would be repayable thereon under the provisions of the instrument constituting or regulating such stock or obligation if such stock or obligation were to be redeemed on the date on which the calculation falls to be made), except so far as either (i) such share capital or the debt owing in respect of such borrowed moneys is for the time being beneficially owned by the Company or any of its subsidiaries or (ii) such borrowed moneys are otherwise taken into account as moneys borrowed by the Company or any of its subsidiaries.
- (f) For the purpose of calculating the aggregate amount of all moneys borrowed, any amount expressed in a currency other than sterling shall be translated into sterling at the latest establishable rate of exchange ruling in London prior to the date on which the calculation falls to be made (and so that for that purpose the rate of exchange shall be taken as the spot rate of any bank in London approved by the Board at 11.00 a.m., London time, on the date on which such latest rate of exchange can be established) and, for the purpose of calculating the amount of the Adjusted Total of Capital and Reserves, any amount so expressed in a currency other than sterling shall be translated into sterling at the rate of exchange used for the purposes of the relevant Balance Sheet.
- (g) The certificate or report of the Auditors as to the amount of the Adjusted Total of Capital and Reserves or as to the amount of the limit contained in Article 21.2(b) or as to the aggregate amount of borrowings falling to be taken into account for the purposes of or as to compliance with such limited at any particular time shall

be conclusive evidence of such amount or fact for the purposes of this Article 21.2.

- (h) No lender or other person dealing with the Company or any of its subsidiaries shall be concerned to see or inquire whether the said limit is observed and no debt incurred or security given in excess of such limited shall be invalid or ineffectual except in the case of express notice to the lender or the recipient of the security at the time when the debt was incurred or security given that the said limit has been or would thereby be exceeded.

### **21.3. Certification by auditors**

A certificate or report by the auditors as to the amount of issued and fully paid share capital of the Company or as to the amount of moneys borrowed or to the effect that the limit imposed by Article 21.2(b) has or has not been or will or will not be exceeded at any particular time or times shall be conclusive evidence of the amount or of that fact.

### **21.4. Agents**

The Board may, by power of attorney or otherwise, appoint any person or body of persons whether nominated directly or indirectly by the Board to be the agent of the Company upon such terms (including terms as to remuneration) as it may decide and may delegate to any person so appointed any of its powers, authorities and discretions (with power to sub-delegate). The Board may remove any person appointed under this Article and may revoke or vary the delegation but no person dealing in good faith and without notice of the revocation or variation shall be affected by it. The power to delegate contained in this Article shall be effective in relation to the powers, authorities and discretions of the Board generally and shall not be limited by the fact that in certain Articles, but not in others, express reference is made to particular powers, authorities or discretions being exercised by the Board or by a committee authorised by the Board.

### **21.5. Delegation to individual directors**

The Board may entrust to and confer upon any director any of its powers, authorities and discretions (with power to sub-delegate) upon such terms and conditions and with such restrictions as it thinks fit, and either collaterally with, or to the exclusion of, its own powers, authorities and discretions and may from time to time revoke or vary all or any of them but no person dealing in good faith and without notice of the revocation or variation shall be affected by it. The power to delegate contained in this Article shall be effective in relation to the powers, authorities and discretions of the Board generally and shall not be limited by the fact that in certain Articles, but not in others, express reference is made to particular powers, authorities or discretions being exercised by the Board or by a committee authorised by the Board.

### **21.6. Official seals**

The Company may exercise all the powers conferred by the Statutes with regard to having official seals and those powers shall be vested in the Board.

### **21.7. Registers**

Subject to the provisions of the Statutes, the Company may keep an overseas or local or other Register in any place and the Board may make and vary such regulations as it may think fit respecting the keeping of the Register.

### **21.8. Authentication of documents**

Any Director or the Secretary or any person appointed by the Directors for the purpose shall have power to authenticate any documents affecting the constitution of the Company (including these presents and extracts therefrom) and any resolutions passed by the Company or the Board or a committee of the Board and any books, records, documents and accounts or extracts therefrom as true copies or extracts; and where any books, records, documents or accounts are elsewhere than at the Office, the local manager or other officer of the Company having custody thereof shall be deemed to be a person appointed by the Directors as aforesaid.

### **21.9. Provision for employees**

The Board may exercise any power conferred by the Statutes to make provision for the benefit of persons employed or formerly employed by the Company or any of its subsidiaries in connection with the cessation, or the transfer to any person of the whole or part of the undertaking, of the Company or that subsidiary.

### **21.10. Powers of Attorney**

The Directors may, from time to time and at any time, by power of attorney or otherwise, appoint any person or undertaking, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period, and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorney as the Directors may think fit, and also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him. The Directors may remove any person or undertaking appointed under this Article 21.10 and may annul or vary any such sub-delegation but no person dealing in good faith and without notice of any such removal, annulment or variation shall be affected thereby.

### **21.11. Cheques**

All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments, and all receipts for money paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

## **22. PROCEEDINGS OF THE BOARD**

### **22.1. Board meetings**

The Board may meet for the despatch of business, adjourn and otherwise regulate its meetings as it thinks fit. A director at any time may, and the secretary on the requisition of a director at any time shall, summon a Board meeting.

### **22.2. Notice of Board meetings**

Notice of a Board meeting shall be deemed to be properly given to a director if it is given to him personally or by word of mouth or sent in writing or by electronic means to him at his last known address or any other address given by him to the Company for this purpose. A director absent or intending to be absent from the United Kingdom may request the Board that notices of Board meetings shall during his absence be sent in writing to him at an address given by him to the Company for this purpose, but such notices need not be given any earlier than notices given to directors not so absent and if no request is made to the Board it shall not be necessary to give notice of a Board meeting to any director who is for the time being absent from the United Kingdom. A director may waive the requirement for him to receive notice of any meeting either prospectively or retrospectively. In this Article, references to "in writing" includes the use of communications in electronic form subject to such terms and conditions as the Board may decide.

### **22.3. Quorum**

The quorum necessary for the transaction of the business of the Board may be fixed by the Board and, unless so fixed at any other number, shall be two. Subject to the provisions of these Articles, any director who ceases to be a director at a Board meeting may continue to be present and to act as a director and be counted in the quorum until the termination of the Board meeting if no other director objects and if otherwise a quorum of directors would not be present.

### **22.4. Directors below minimum through vacancies**

Without prejudice to article 18.6, the continuing directors or a sole continuing director may act notwithstanding any vacancy in their number but, if and so long as the number of directors is reduced below the minimum number fixed by or in accordance with these Articles or is below the number fixed by or in accordance with these Articles as the quorum or there is only one continuing director, the continuing directors or director may act for the purpose of filling vacancies or of summoning general meetings of the Company but not for any other purpose. If there are no directors or director able or willing to act, then any two members may summon a general meeting for the purpose of appointing directors. An additional director appointed in this way shall hold office (subject to these Articles) only until the dissolution of the next annual general meeting after his or her appointment unless he or she is reappointed during that annual general meeting.

## **22.5. Appointment of chairman**

The Board may appoint a director to be the chairman or a deputy chairman of the Board, and may at any time remove him from that office. The chairman or failing him a deputy chairman shall act as chairman at every meeting of the Board. If more than one deputy chairman is present they shall agree amongst themselves who is to take the chair or, if they cannot agree, the deputy chairman who has been in office as a director longest shall take the chair. But if no chairman or deputy chairman is appointed, or if at any meeting neither the chairman nor any deputy chairman is present within five minutes after the time appointed for holding the meeting, the directors present may choose one of their number to be chairman of the meeting.

## **22.6. Competence of meetings**

A meeting of the Board at which a quorum is present shall be competent to exercise all the powers, authorities and discretions for the time being vested in or exercisable by the Board.

## **22.7. Voting**

Questions arising at any meeting shall be determined by a majority of votes. In the case of an equality of votes the chairman of the meeting shall have a second or casting vote.

## **22.8. Delegation to Committees**

- (a) The Board may delegate any of its powers, authorities and discretions (with power to sub-delegate) to any committee, consisting of such person or persons (whether a member or members of its body or not) as it thinks fit, provided that the majority of persons on any committee or sub-committee must be directors. References in these Articles to committees include sub-committees permitted under this Article.
- (b) Any committee so formed shall, in the exercise of the powers, authorities and discretions so delegated, conform to any regulations which may be imposed on it by the Board. The meetings and proceedings of any committee consisting of two or more members shall be governed by the provisions contained in these Articles for regulating the meetings and proceedings of the Board so far as the same are applicable and are not superseded by any regulations imposed by the Board.
- (c) The power to delegate contained in this Article shall be effective in relation to the powers, authorities and discretions of the Board generally and shall not be limited by the fact that in certain Articles, but not in others, express reference is made to particular powers, authorities or discretions being exercised by the Board or by a committee authorised by the Board.

#### **22.9. Validity of acts of the Board or a committee**

All acts carried out by the Board or by any committee or by any person acting as a director or member of a committee shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any member of the Board or committee or person so acting or that they or any of them were disqualified from holding office or had vacated office or were not entitled to vote, be as valid as if each such member or person had been properly appointed and was qualified and had continued to be a director or member of the committee and had been entitled to vote.

#### **22.10. Participation in meetings by telephone**

All or any of the members of the Board or any committee of the Board may participate in a meeting of the Board or that committee by means of a conference telephone or any communication equipment which allows all persons participating in the meeting to speak to and hear each other. A person so participating shall be deemed to be present in person at the meeting and shall be entitled to vote or be counted in a quorum accordingly. Such a meeting shall be deemed to take place where the largest group of those participating is assembled, or, if there is no such group, where the chairman of the meeting then is.

#### **22.11. Resolution in writing**

A resolution in writing signed by all the directors for the time being entitled to receive notice of a meeting of the Board (if that number is sufficient to constitute a quorum) or by all the members of a committee for the time being so entitled shall be as valid and effectual as a resolution passed at a meeting of the Board or, as the case may be, of the committee properly called and constituted. In this Article, references to "in writing" include the use of communications in electronic form.

#### **22.12. Records of Board meetings**

The Directors shall cause minutes to be made, in books provided for the purpose, of the following matters, namely:

- (a) of all the appointments of officers, managers, agents and committees made by the Board;
- (b) of the names of the Directors or their alternates and any other person present at each meeting of Directors any of any committee formed under Article 22.9;
- (c) of all orders made by the Board; and
- (d) of all resolutions and proceedings of meetings of the Company and of the Board and committees of the Board.

Any minute of any meeting of the Board or committee of the Board, or meeting of the Company, if signed by any person purporting to be the Chairman of such meeting or the

next succeeding meeting, shall be receivable in evidence of the matters stated in such minute without further proof.

### **22.13. Safeguarding of minutes and books**

Any register, index, minute book, book of account or other book required by these Articles or the Statutes to be kept by or on behalf of the Company may be kept either by making entries in bound books or by recording them in any other manner authorised by the Statutes. In any case in which bound books are not used, the Directors shall take adequate precautions for guarding against falsification and facilitating discovery of falsification.

## **23. SECRETARY**

### **23.1. Appointment and removal of the secretary**

Subject to the provisions of the Statutes, the secretary shall be appointed by the Board for such term and upon such conditions as the Board may think fit; and any secretary so appointed may be removed by the Board. The secretary shall receive such remuneration as the Board or any committee authorised by the Board shall decide.

## **24. DIVIDENDS AND OTHER PAYMENTS**

### **24.1. Declaration of dividends by the Company**

The Company in general meeting may by ordinary resolution declare dividends, but no dividend shall exceed the amount recommended by the Board.

### **24.2. Interim Dividends**

The Board may from time to time pay to the members such interim dividends as appear to the Board to be justified by the profits of the Company.

### **24.3. Dividends to comply with the Statutes**

No dividend or interim dividend shall be paid otherwise than in accordance with the provisions of the Statutes.

### **24.4. Dividends to be paid proportionately to amounts paid up on shares**

Subject to the rights of persons entitled to shares with any priority, preference or special rights as to dividend, all dividends shall be declared and paid according to the amounts paid up on the shares in respect whereof the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purpose of this Article as paid up on the share. All dividends shall be apportioned and paid proportionately to the amount paid up on the shares during any portion or portions of the period in respect of which the dividend is paid. If any share is issued on terms providing that it shall rank for dividend as if paid up in full or in part from a particular date, whether past or future, such share shall rank for dividend accordingly.

#### **24.5. Board may deduct monies owed from dividend**

The Board may deduct from any dividend, or other moneys payable to any member (whether solely or jointly with another) on or in respect of a share, all sums of money (if any) presently payable by him to the Company on account of calls or otherwise in relation to shares of the Company.

#### **24.6. Distribution of specific assets**

Any general meeting declaring a dividend may, upon the recommendation of the Board, direct payment of such dividend wholly or in part by the distribution of specific assets and in particular of paid up shares or debentures of any other company, and the Board shall give effect to such direction. Where any difficulty arises in regard to such distribution, the Board may settle the same as it thinks expedient and in particular may issue fractional certificates and fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties (and secure, so far as practicable, equality of distribution), and may vest any such specific assets in trustees as the Board may deem expedient.

#### **24.7. Payment of dividends**

All dividends and interest shall belong and be paid (subject to any lien of the Company) to those members whose names shall be on the Register at the date at which such dividend shall be declared or at the date on which such interest shall be payable respectively, or at such other date as the Company by ordinary resolution or the Board may determine notwithstanding any subsequent transfer or transmission of shares. The Company may pay any dividend, interest or other moneys payable in cash in respect of shares by direct debit, bank transfer, other funds transfer system or electronic means (including through a relevant system), cheque, dividend warrant or money order and may remit the same by post directed to the registered address of the holder or, in the case of joint holders, to the registered address of the joint holder whose name stands first in the Register, or to such person and to such address as the holder or joint holders may in writing direct, and the Company shall not be responsible for any loss of any such cheque, warrant or order or for any error in any transfer by direct debit, bank transfer or other funds transfer system or electronic means which in each case shall be sent or transferred at the risk of the persons entitled to the money thereby. Every such cheque, warrant or order shall be made payable to the person to whom it is sent, or to such person as the holder or joint holders may in writing direct, and the payment of such cheque, warrant or order or the transfer by way of direct debit, bank transfer or other funds transfer system or electronic means by the bank or other financial institution or payer so instructed by the Company shall be a good discharge to the Company. If any such cheque, warrant or order has or shall be alleged to have been lost, stolen or destroyed, the Board may, at the request of the person entitled thereto issue a replacement cheque, warrant or order subject to compliance with such conditions as to evidence and indemnity and the payment of such out-of-pocket expenses incurred by the Company in connection with the request as the Board may think fit. Any one of two or more joint holders may give effectual receipts for any dividends or other sum

payable or property distributable in respect of the share held by him as joint holder. If on two consecutive occasions cheques, warrants or orders in payment of dividends or other moneys payable in respect of any share have been sent through the post in accordance with the provisions of this Article but have been returned and undelivered or left uncashed during the periods for which the same are valid or, following one such occasion, reasonable enquiries have failed to establish any new address for the member or other person entitled thereto, the Company need not thereafter despatch further cheques or warrants in payment of dividends or other moneys payable in respect of the share in question until the member or other person entitled thereto shall have communicated with the Company and supplied in writing to the Office an address for the purpose.

In this Article, references to "in writing" includes the use of communications in electronic form subject to such terms and conditions as the Board may decide.

**24.8. No dividend to bear interest**

No dividend or other moneys payable or in respect of a share shall bear interest against the Company unless otherwise provided by the rights attached to any share.

**24.9. Board may invest unclaimed dividends**

All dividends, interest or other sums payable unclaimed for one year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed.

**24.10. Forfeiture of dividends unclaimed for twelve years**

All dividends unclaimed for a period of twelve years after having become due for payment shall be forfeited and shall revert to the Company. The payment of any unclaimed dividend, interest or other sum payable by the Company on or in respect of any share into a separate account shall not constitute the Company a trustee thereof.

**25. RESERVES**

**25.1. Sums carried to reserve**

The Directors may, before recommending any dividend or capital distribution, from time to time set aside out of the profits of the Company and carry to reserves such sums as they think proper which shall, at the discretion of the Directors, be applicable for any purpose to which the profits of the Company may properly be applied and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments as the Directors think fit. The Directors may divide the reserves into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserves may have been divided. The Directors may also, without placing the same to reserves, carry forward any profits. In carrying funds to reserves and in applying the same the Directors shall comply with the provisions of the Statutes.

## **25.2. Capital reserve**

- (a) The Board shall establish a reserve to be called the "capital reserve" and shall either carry to the credit of such reserve from time to time all capital profits or appreciations arising on the sale, transposition, payment off or revaluation of any investment or other capital asset of the Company in excess of the book value thereof or apply the same in providing for depreciation or contingencies. For the avoidance of doubt, accrued but unpaid interest or any sum received in respect of accrued but unpaid interest shall not be treated as capital profits or appreciations arising on the sale, transposition, payment off or revaluation of any investment or other capital asset. Any losses realised on the sale, transposition, payment off or revaluation of any investment or other capital asset and any other expenses, loss or liability (or provision thereof) considered by the Board to be of a capital nature shall be carried to the debit of the capital reserve except in so far as the Board may in its discretion decide to make good the same out of, or debit the same to, other funds of the Company. Any increase or diminution in the amount of any index-linked stock or other index-linked obligation of the Company shall be carried to the debit or credit of the capital reserve, except in so far as the Board may in its discretion decide to make good the same out of, or credit the same to, other funds or reserves of the Company.
- (b) Subject to the Statutes and without prejudice to the foregoing generality, the Board may determine whether any amount received by the Company is to be dealt with as income or capital or partly one and partly the other. The Board may determine whether any cost, liability or expense (including, without limitation, any costs incurred or sums expended in connection with the management of the assets of the Company or finance costs (including, without limitation, any interest payable by the Company in respect of any borrowings of the Company)) is to be treated as a cost, liability or expense chargeable to capital or to revenues or partly one and partly the other, having regard, inter alia, to the investment objectives of the Company, and to the extent the Board determines that any such cost, liability or expense should reasonably and fairly be charged or apportioned to capital the Board may debit or charge the same to the capital reserve.
- (c) Subject to the Statutes, all sums carried and standing to the credit of the capital reserve may be applied for any of the purposes to which sums standing to any reserve referred to in article 25.1 may be applied including, without limitation, by way of payment of dividends or the redemption or purchase by the Company of its own shares.

## **26. CAPITALISATION OF PROFITS**

### **26.1. Power to capitalise reserves and revenue account**

The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve (including any share

premium account, capital redemption reserve, merger reserve or special reserve arising on the cancellation or reduction of share premium account) or the profit and loss account whether or not the same is available for distribution and accordingly that the amount to be capitalised be set free for distribution among the members or any class of members who would be entitled to it if it were distributed by way of dividend and in the same proportions, on the footing that it is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by those members respectively or in paying up in full unissued shares, debentures or other obligations of the Company to be allotted and distributed credited as fully paid up among those members, or partly in one way and partly in the other, but so that, for the purposes of this Article, a share premium account and a capital redemption reserve, merger reserve and any reserve or account representing unrealised profits, may be applied only in paying up in full unissued shares of the Company. The Board may authorise any person to enter into an agreement with the Company on behalf of the persons entitled to participate in the distribution providing for the allotment to them respectively of any shares, debentures or other obligations of the Company to which they are entitled on the capitalisation and the agreement shall be binding on those persons.

## **26.2. Settlement of difficulties in distribution**

Where any difficulty arises in regard to any distribution of any capitalised reserve or account the Board may settle the matter as it thinks expedient and in particular may authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any members in order to adjust the rights of all parties, as may seem expedient to the Board.

## **27. RECORD DATES**

### **27.1. Power to choose any record date**

Notwithstanding any other provision of these Articles, the Company or the Board may fix any date as the record date for any dividend, distribution, allotment or issue and such record date may be on or at any time before or after any date on which the dividend, distribution, allotment or issue is declared, paid or made. The power to fix any such record date shall include the power to fix a time on the chosen date.

## **28. ACCOUNTING RECORDS**

### **28.1. Preparation and laying of accounts**

The Directors shall, from time to time in compliance with the provisions of the Statutes, cause to be prepared and to be laid before a general meeting of the Company such accounts and reports as may be required by the Statutes

## **28.2. Accounts to be sent to members**

Subject to the provisions of Article 28.3, a printed copy of the accounts which are to be laid before a general meeting of the Company (including every document required by law to be attached or annexed thereto) and of the Directors' and auditors' reports shall, not less than 21 clear days before the date of the meeting, be sent to every member of, and every holder of debentures of, the Company and to every other person who is entitled to receive notices of meetings from the Company under the provisions of the Statutes or of these Articles, provided that:

- (a) this Article shall not require a copy of such documents to be sent to more than one of any joint holders or to any person who is not entitled to receive notices of meetings or of whose address the Company is not aware; and
- (b) the accidental omission to send such documents to, or the non-receipt of any such documents by, any person entitled thereto shall not invalidate any proceedings at the relevant annual general meeting.

Whenever a listing or quotation on any stock exchange for all or any of the shares or debentures or other securities of the Company shall for the time being be in force, there shall be forwarded to the appropriate officer of such stock exchange such number of copies of such documents as may for the time being be required under its regulations or practice.

## **28.3. Summary financial statements**

The Company may send summary financial statements to members of the Company instead of copies of its full accounts and reports.

## **28.4. Records to be kept**

The Board shall cause to be kept at the Office, or such other place as the directors think fit, accounting records sufficient to show and explain the Company's transactions, and such as to disclose with reasonable accuracy at any time the financial position of the Company at that time, and which accord with the Statutes.

## **28.5. Inspection of records**

The Board shall, from time to time, subject to the provisions of the Statutes, determine whether, in any particular case, or class of cases, or generally and at which times and places, and under what conditions or regulations, the accounts and books of the Company, or any or them shall be open to the inspection of the members, and no member, not being a Director, shall have any right of inspecting any account or book, or document of the Company except as conferred by the Statutes, or authorised by the Directors, or by resolution of the Company in a general meeting.

## **29. AUDITORS**

### **29.1. Validity of acts of Auditors**

Subject to the provisions of the Statutes, all acts done by any person acting as an Auditor shall, as regards all persons dealing in good faith with the Company, be valid, notwithstanding that there was some defect in his appointment or that he was at the time of his appointment not qualified for appointment or subsequently became disqualified. The appointment, removal, powers and rights, remuneration and duties of the Auditor shall be as regulated by the Statutes.

### **29.2. Attendance at general meetings**

The Auditors shall be entitled to attend any general meeting of the Company and to receive all notices of and other communications relating to any general meeting which any member is entitled to receive and to be heard at any general meeting on any part of the business of the meeting which concerns the Auditors.

## **30. SERVICE OF NOTICES AND DOCUMENTS**

### **30.1. Service of notices**

Any notice or document (including a share certificate) may be served on or delivered to any member by the Company either personally or by sending it through the post addressed to the member at his registered address or by leaving it at that address addressed to the member or by means of a relevant system or, where appropriate, by sending it in electronic form to an address for the time being notified by the member concerned to the Company for that purpose, or by publication on a web-site in accordance with the Statutes or by any other means authorised in writing by the member concerned. In the case of joint holders of a share, service or delivery of any notice or document on or to one of the joint holders shall for all purposes be deemed a sufficient service on or delivery to all the joint holders.

### **30.2. Record date for service**

Any notice or document may be served or delivered by the Company by reference to the Register as it stands at any time not more than fifteen days before the date of service or delivery. No change in the Register after that time shall invalidate that service or delivery. Where any notice or document is served on or delivered to any person in respect of a share in accordance with these Articles, no person deriving any title or interest in that share shall be entitled to any further service or delivery of that notice or document.

### **30.3. Members resident abroad**

Any member whose registered address is not within the United Kingdom and who gives to the Company an address within the United Kingdom at which notices or documents may be served upon him shall be entitled to have notices or documents served upon him at that

address but, unless he does so, shall not be entitled to receive any notice or document from the Company.

#### **30.4. Service of notice on person entitled by transmission**

A person who is entitled by transmission to a share, upon supplying the Company with either or both of: (i) a postal address within the United Kingdom for the service of written notices; and/or (ii) an address for the purposes of the service of notices in electronic form, shall be entitled to have served upon or delivered to him at such address any notice or document to which he would have been entitled if he were the holder of that share, and such service or delivery shall for all purposes be deemed a sufficient service or delivery of such notice or document on all persons interested (whether jointly with or as claimants through or under him) in the share. Otherwise, any notice or other document served on or delivered to any member pursuant to these Articles shall, notwithstanding that the member is then dead or bankrupt or that any other event giving rise to the transmission of the share by operation of law has occurred and whether or not the Company has notice of the death, bankruptcy or other event, be deemed to have been properly served or delivered in respect of any share registered in the name of that member as a sole or joint holder.

#### **30.5. When notice deemed served**

Any notice or document, if sent by the Company by post, shall be deemed to have been served or delivered on the day following that on which it was put in the post and, in proving service or delivery, it shall be sufficient to prove that the notice or document was properly addressed, prepaid and put in the post. Any notice or document not sent by post but left by the Company at a registered address shall be deemed to have been served or delivered on the day it was so left. Any notice served or delivered by the Company by means of a relevant system shall be deemed to have been served or delivered when the Company or any sponsoring system-participant acting on its behalf sends the issuer-instruction relating to the notice. Any notice or document sent by the Company by way of a communication in electronic form shall be deemed to have been received on the day following that on which it was sent. Proof that notice contained in a communication in electronic form was sent in accordance with the guidelines issued from time to time by the Institute of Chartered Secretaries and Administrators, or such other guidelines which the Board, in its absolute discretion, resolves to be applicable, shall be conclusive evidence that the notice was sent. A notice or other document placed on the Company's web-site shall be deemed to have been received on the day following that on which the notice of availability was sent. Any notice or document served or delivered by the Company by any other means authorised in writing by the member concerned shall be deemed to have been served when the Company has carried out the action it has been authorised to take for that purpose.

#### **30.6. Notice when post and/or electronic means not available**

If at any time by reason of the suspension or curtailment of postal services and/or the unavailability of communications in electronic form within the United Kingdom or some part of the United Kingdom (the "**affected area**") the Company is unable effectively to serve notice on members with an address in the affected area, a general meeting may be

convened by a notice to such members advertised in at least one newspaper with a circulation throughout the affected area. Notice published in this way shall be deemed to have been properly served on all members and persons entitled by transmission, who are entitled to have notice of the meeting served upon them, on the day when the advertisement has appeared in at least one such paper. If at least six clear days prior to the meeting the posting of notices to addresses throughout the affected area has again become practicable, the Company shall send confirmatory copies of the notice by post to the persons entitled to receive them.

### **31. DESTRUCTION OF DOCUMENTS**

#### **31.1. Company may destroy old instruments of transfer and other documents**

The Company shall be entitled to destroy:

- (a) any instrument of transfer of shares or Operator-instruction for the transfer of shares which has been registered at any time after the expiration of six years from the date of registration thereof;
- (b) any instruction concerning the payment of dividends or other moneys in respect of any share or any variation or cancellation thereof or any notification of change of address, at any time after the expiration of two years from the date of recording thereof or, as the case may be, the date of such cancellation or cessation;
- (c) any share certificate which has been cancelled, at any time after the expiration of one year from the date of such cancellation; and
- (d) any other document on the basis of which any entry in the Register has been made at any time after the expiration of six years from the date of the first entry in the Register in respect thereof,

and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made, that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered, that every share certificate so destroyed was a valid certificate duly and properly cancelled and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company; provided always that:

- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to any claim (regardless of the parties thereto);
- (b) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier

than as aforesaid or in any case where the conditions of paragraph (a) above are not fulfilled; and

- (c) references in this Article to the destruction of any document include references to its disposal in any manner.

## **32. WINDING UP**

If the Company shall be wound up (whether the liquidation is voluntary or by the Court) the liquidator may, with the authority of a special resolution, divide among the members in specie or kind the whole or any part of the assets of the Company and whether or not the assets shall consist of property of one kind or shall consist of properties of different kinds, and may for such purposes set such value as he deems fair upon any one or more class or classes of property and may determine how such division shall be carried out as between the members or different classes of members. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of members as the liquidator with the like authority shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no contributor shall be compelled to accept any shares or other property in respect of which there is a liability.

## **33. INDEMNITY**

### **33.1. Indemnity of officers and others**

Subject to the provisions of the Statutes, the Company may indemnify any director, or other officer (or any person who was at any time a director, or other officer of the Company, or its predecessor in business, or of a holding undertaking or subsidiary undertaking of the Company) against any liability and may purchase and maintain for any such person insurance against any loss or liability, whether in connection with any proven or alleged negligence, default, breach of duty or breach of trust by him or otherwise in relation to the Company. Subject to those provisions but without prejudice to any indemnity to which the person concerned may otherwise be entitled, every director, former director or other officer of the Company shall be indemnified out of the assets of the Company against any loss or liability incurred by him in the execution of his duties in relation to the affairs of the Company, provided that this Article shall be deemed not to provide for, or entitle any such person to, indemnification to the extent that it would cause this Article, or any element of it, or of such indemnification, to be treated as void under the Statutes.

### **33.2. Indemnity against claims in respect of shares**

Whenever any law for the time being of any country, state or place imposes or purports to impose any immediate or future or possible liability upon the Company to make any payment or empowers any government or taxing authority or government official to require the Company to make any payment in respect of any shares registered in any of the Company's registers as held either jointly or solely by any member or in respect of any dividends, bonuses or other moneys due or payable or accruing due or which may become due or payable to such member by the Company on or in respect of any shares registered

as aforesaid or for or on account or in respect of any member and whether in consequence of:

- (a) a transmission event;
- (b) the non-payment of any income tax or other tax by such member;
- (c) the non-payment of inheritance tax or any estate, probate, succession, death, stamp or other duty by the executors or administrators or other legal personal representatives of such member or by or out of his estate; or
- (d) any other act or thing;

the Company in every such case:

- (a) shall be fully indemnified by such member or his executors or administrators or his other legal representatives from all liability; and
- (b) may recover as a debt due from such member or his executors or administrators or his other legal personal representatives wherever constituted or residing any moneys paid by the Company under or in consequence of any such law together with interest thereon at such rate (not exceeding, without the sanction of the Company given by ordinary resolution, twenty per cent per annum) as the Directors may determine from the date of payment by the Company to the date of repayment by the member or his executors or administrators or his other legal personal representatives.

Nothing herein contained shall prejudice or affect any right or remedy which any law may confer or purport on the Company and as between the Company and every such member as aforesaid, his executors, administrators or other legal personal representatives and estate whatsoever constituted or situated, any right or remedy which such law shall confer or purport to confer on the Company shall be enforceable by the Company.

(c)

## **34. REPORTING CO-OPERATION**

### **34.1. Reporting Co-operation**

- (a) Each holder of shares shall co-operate with the Company in ensuring that the Company is able to comply with its obligations under the International Tax Compliance Regulations 2015 (as amended or replaced from time to time), all official guidance and any other relevant obligations with which the Company is bound to comply in relation to any international tax compliance regime (together for the purposes of this article 34 the "**Regulations**").
- (b) Without limiting the generality of the provisions of paragraph (a) above, each holder of shares:

- (i) must provide the Company with any information, waivers, forms and/or other documentation requested by the Company from time to time for the purposes of allowing the Company to consider any relevant issues arising under the Regulations and to comply with its obligations under the Regulations;
- (ii) consents to allowing, and authorises, the Company to disclose and supply any such information, waivers, forms or other documentation in relation to the holder to HM Revenue and Customs (or their authorised representative) and, where the holder is not the beneficial owner of the shares, the holder shall procure that the beneficial owner of the shares provides such consent and authorisation to the Company in respect of any such information, waivers, forms or other documentation relating to the beneficial owner;
- (iii) must notify the Company of any material changes which affect the holder's status (and to the extent relevant, the status of the beneficial owner of the shares) under the Regulations or which result in any information, waivers, forms or other documentation previously provided to the Company (pursuant to this article) becoming inaccurate or incomplete within the earlier of 90 days of becoming aware of such changes and any other period provided under the Regulations for such event; and
- (iv) must, to the extent there have been material changes as described in paragraph (b)(iii) above, promptly provide the Company with updated information, waivers, forms or other documentation, as applicable.

#### **34.2. Obligation to provide information to the Company**

- (a) In addition to the right of the Board to serve a statutory notice on any person pursuant to section 793 of the 2006 Act and article 2.15, the Board may at any time serve written notice on any holder requiring that holder to promptly provide the Company or its agents with any information, representations, certificates, waivers, documentation or forms ("**Information**") relating to such holder (and to such holder's direct or indirect owners or account holders or the persons beneficially interested directly or indirectly in the shares held by such holder) that the Board determines from time to time is necessary or appropriate for the Company to have in order to:
  - (i) satisfy any account or payee identification, documentation or other diligence requirements and any reporting requirements imposed under or in relation to FATCA, the Common Reporting Standard or the requirements of any similar laws or regulations of any jurisdiction or territory to which the Company may be subject from time to time ("**Similar Laws**"); or

- (ii) avoid or reduce any tax (including withholding tax) otherwise imposed by FATCA, the Common Reporting Standard or Similar Laws (including any withholding upon any dividends or other distributions or payments payable, paid or made to such holder by the Company); or
  - (iii) permit the Company to enter into, comply with, or prevent a default under or termination of, an agreement of the type described in or required under FATCA, the Common Reporting Standard, the US Internal Revenue Code of 1986 (as amended) or Similar Laws.
- (b) The Company and its agents shall be entitled to hold and process the Information, and to disclose any Information and information about a holder's or beneficial owner's interests in the Company to any government division or department (including any taxation authority) or to any person or entity from which the Company receives or is required to make any payment, for the purposes of carrying out the business of the Company and the administration and protection of its interests and assets, including without limitation for the purposes referred to in Article 34.2(a) above.
- (c) If any holder fails to supply all or any Information to the Company or its agents within the period set out in the notice referred to in Article 34.2(a) (which period shall not be less than ten days after the service of the notice), then the Board may give written notice to such holder requiring them either:
  - (i) to provide the Company or its agents within 21 days of service of such notice with Information to the satisfaction of the Board (in its discretion); or
  - (ii) to sell or transfer the holder's shares within 21 days of service of such notice and within such 21 days to provide the Board with satisfactory evidence of such sale or transfer, and pending such sale or transfer the Board may suspend the exercise of any voting or consent rights and rights to receive notice of or to attend any meeting of the Company and any rights to receive dividends or other distributions or payments with respect to such holder's shares.

Where the relevant requirement set out in Article 34.2(c)(i) or (ii) above is not satisfied within 21 days of service of the relevant notice (or such longer period as the Board may determine), the holder will be deemed, upon the expiration of such 21 days, to have forfeited their shares. If the Board in its absolute discretion so determines, the Company may dispose of the relevant shares at the best price reasonably obtainable and pay the net proceeds of such disposal to the former holder.

- (d) If at any time the holding or beneficial ownership of any shares in the Company by any person (whether on its own or taken with other shares), in the opinion of the Board, would or might cause the Company to become subject to any

withholding tax or reporting obligation under FATCA, the Common Reporting Standard or Similar Laws or to be unable to avoid or reduce any such tax or to be unable to comply with any such reporting obligation (each an "**Onerous Obligation**") (including by reason of the failure of the person concerned or its associates or nominee holder(s) to provide to the Company any Information pursuant to this Article 34.2), then the Board may at any time give written notice to the holder or holders of the relevant shares requiring them to sell or transfer the relevant shares within 21 days of service of such notice to such person or persons as shall ensure that the Company shall no longer be subject to the relevant Onerous Obligation and within such 21 days to provide the Board with satisfactory evidence of such sale or transfer, and pending such sale or transfer the Board may suspend the exercise of any voting or consent rights and rights to receive notice of or to attend any meeting of the Company and any rights to receive dividends or other distributions or payments with respect to the relevant shares. Where such sale or transfer is not completed within 21 days of service of such notice (or such longer period as the Board may determine), the holder or holders of the relevant shares will be deemed, upon the expiration of such 21 days to have forfeited their shares. If the Board in its absolute discretion so determines, the Company may dispose of the relevant shares at the best price reasonably obtainable and pay the net proceeds of such disposal to the former holder or holders.

- (e) If requested by the Company, a holder shall execute any and all documents, opinions, instruments and certificates as the Board may reasonably request to give effect to or to enforce the Company's rights and entitlements under this Article 34.2.
- (f) Nothing in these Articles (including, without limitation, this article 34.2) shall prevent, limit or restrict the Company from withholding or deducting any taxes or other sums required to be withheld or deducted by the Company pursuant to FATCA, the Common Reporting Standard, any Similar Laws or any other applicable legislation, regulations, rules or agreements.
